Volume 3, May 20, 1900, Page 48, (whole chapter)
*In order for souls to rest in God, inner silence is necessary. Inner silence is to impose
silence on our own passions, desires and inclinations. This is absolutely necessary to
undo one's own nature and to reduce it to nothing, as it was nothing before it was
created by God. This enables souls to be filled up with God again. (Paraphrased from
Volume 3)*
