## **Rounds**

### **The Greatest Gift God gave to Mankind.**

-To Living in the Divine Will which is possessing the Will of God is the Greatest Gift God has given to mankind.

-In the Gift of the Divine Will, which contains infinite value, is money that rises at every instant, light that never dims, suns that never set; putting the soul in its place as established by God in the Divine Order, and taking its place of honor and sovereignty in Creation.

-In all the sorrows and crosses that open the doors to new manifestations, to more secret lessons, to the Greatest Gift that God wants so much to deposit in souls.

**The main purpose of Jesus coming to earth was to lay the foundation so that He could give mankind His Greatest Gift, for the glory of His Father, the Gift of living in the Divine Will! There is no greater Gift that He could give to man than the Gift of His Real Life living in our souls!**
