Rounds

Suffering

- In all the suffering that Jesus gives to souls and, united in Him make souls glorious, victorious, rich and beautiful.
- In the pains that Jesus sends to creatures. In these pains, suffered with patience and love, the wrapping is broken to find Jesus.
- In the honor that Jesus gives souls who are privilege to share in the same sufferings as His Most Holy Humanity suffered.
- In the suffering Jesus gives to souls in His Will, as these pains flow on earth and in Heaven and help everyone.

Jesus invites us to bring our pains to the cross as retinue and relief for Him and these pains will burn in the same fire and be consumed together.
