Divine Will Internet Cenacle**

**Instructions for the Lessons of
Virgin Mary in the Kingdom of the Divine Will**

October 16, 2009

-We begin our cenacle with the prayer found on Page 4, Prayer to the Celestial Queen.

-We have listed by a,b,c, etc., some of the main events that are taking place in the hour. The story of the Day!

-There are Volume References from the Writings that further explain the lesson what our Blessed Mother is teaching Luisa about how to live in the Kingdom of the Divine Will.

-The Volume references were given to Luisa by Jesus, many of them before the Blessed Mother dictated the book of lessons to Luisa. The Virgin Mary book was written in the late 1920's. Many of the Volume REFERENCES were from the early 1900's.

-We first read the a, b, c, etc., to see what is happening and get a storyline, then read the entire lesson.

-We then read the volume references that correspond to the abc's to study further the lesson.

From the Maternal Appeal of the Blessed Mother (Page 1) we find in each lesson a Maternal Fiber, Instruction and Promise of the Blessed Mother if we follow Her instructions.

These instructions are coming to you from the desk of Linda Wawryk, British Columbia, Canada who can be reached at: dwcenacle@live.com. If you have any questions, please reply to Linda.
