The Smallest Seed to the Greatest

- In the Acts of Jesus as He works the soil of our souls – plowing the ruts and furrows.
- In Jesus, the Celestial Agriculturalist, as He plants His Seed in our souls.
- In all the ways the Divine Will works in the development of seeds as water to sprinkle it, in the sun to make it fertile, in the wind to purify it, in the cold to make it put forth roots and heat to develop it and reach maturity.
- In Words of Jesus as they are full of Light and Truth, as they are the seeds with such power to transmit Light and Truth to the soul.

The Divine Sower plants the Seeds of Light and Truth in Souls.
