

A MORNING OFFERING TO THE HOLY WILL OF GOD

Almighty God, I bring You my adoration, love, and thanksgiving. I bring You the adoration, love and thanksgiving of the whole human family.

I give You my hugs and kisses. I give You the hugs and kisses of the whole human family.

Dear Father, I want to be with You in all Your precious Acts of Creation — I put my reciprocal “I love You” on all Your precious Acts of Creation — the birds, the snowflakes, the raindrops, the trees, etc. (Let your mind run free with loving God for all the things He created out of love for you alone!)

Dear Jesus, I want to be with You in all Your precious Acts of Redemption. I put my reciprocal “I love You” on every drop of Your Precious Blood shed for our salvation. I want to console Your Most Sacred Heart for all the times that You are ignored and insulted. (Let your mind run free with all the Acts Jesus did for our Redemption, and all the offenses with which man has offended Him.)

Dear Holy Spirit, I want to be with You in all your precious Acts of Sanctification — all the gifts of wisdom, understanding, counsel, piety, fortitude, knowledge, and fear of the Lord that You have poured out on all the martyrs and saints through all the generations. I put my reciprocal “I love You” on every letter that was penned by Luisa about the mysteries of Your Holy Will. (Let your mind run free with all the Acts which the Holy Spirit has done, and is doing for the Sanctification of all souls.)

I don't want to offer any resistance to Your Holy Will today. Come, Divine Will, reign in me this day — come and breathe in my breathing, glance in my glancing, work in my working, eat in my eating, pray in my praying, love in my loving, suffer in my suffering. And may my soul consumed and fused with Your Holy Will form a living crucifix for the glory of God and the salvation of all souls.

I unite my acts and works with Your Acts and Works, and with the acts and works of the whole human family. I unite my sorrow and suffering with Your sorrow and suffering, and with the sorrow and suffering of the whole human family and I offer all this back to You, Father, with immense love, adoration and gratitude for all and for everything!.

O, Mother and Queen of the Divine Will, most powerful, we give everything to you and await everything from you. Amen.
