

ADORATION IN DIVINE WILL

Every morning may I offer my adoration, homage and praise to the Most Holy Trinity in the name of everyone with the Power, Wisdom, and Love of Their Divine Will, which adores Them, glorifies Them, loves and praises Them. Since these Attributes of Theirs are always in communication with the intellect, memory and will of all creatures, may They always feel my adoration, homage, and praise flowing in all intelligences' of creatures, which being fused in the Divine Will, makes Them feel the echo of Their own Power, Wisdom, and Love which adores Them, praises Them, and loves Them! Amen.
