

Eternal Love is Life

In Your Will and with Your Love, I desire to gather all that You have created out of so much love for mankind, from the beginning of time until the end of time; all souls, all Angels and all Creation, substituting for any and all who would refuse to join me. I bring all Your Creatures and Creation before Your Most Holy and Majestic Throne, and prostrating ourselves, we proclaim our love, adoration, praise, and honor, to glorify You profoundly, pleading through these rounds for Your Kingdom to come:

- ✦ Every time that Luisa fused herself in God's Will
- ✦ In the act of Jesus, who takes us by the hand and lifts us high when we enter into God's Volition
- ✦ In the act of Jesus, who takes us into His Interminable Will
- ✦ In every act done in the Divine Will which enters into the Prime Act.
- ✦ In the corresponding love, adoration, and continuous glory that God receives from one Divine Will act.
- ✦ On all created things that never leave God's Divine Will
- ✦ On God's operative love
- ✦ On God's Divine Will which becomes the provider, conservator, and the very act of the creature

Volume 17, January 27, 1925

Continuing in Thy Will and with Thy Love, we love you, we adore you, and we glorify you:

- ✦ In the affirmation that Luisa gave to Jesus when she answered yes to the question, "Luisa, daughter of my Will, do you want to live always in my Will?"
- ✦ In the confusion and fear that Luisa feels when Jesus asks her this question three times
- ✦ In the seal of the triple seal of the Divine Volition given to Luisa
- ✦ In those souls who will live in the Bosom of the Sacrosanct Trinity
- ✦ In the images of the Trinity that God continually generates
- ✦ In the sun that is the image of God's light that illumines all the earth
- ✦ In the sky that is the image of God that extends everywhere as a shadow of Their immensity
- ✦ In every man that bears the image of God's power, wisdom and love
- ✦ In the creation of the first man, Adam
- ✦ In the power of God, that flows through all generations
- ✦ In the firstborn daughter of the Divine Will, Luisa

Volume 14, April 13, 1922

In Thy Will, with Thy Love, we love you, we adore you, and we praise you:

- In Jesus' words to Luisa, "Further, if I have greatly given to you, it is a sign that I love you greatly – and that I very much want to be loved by you."
- And "My daughter, I love the creature so much, that in creating the heavens, the stars, the sun, and all of nature, I did not leave anything out... I wanted him together with me to create stars, a heaven, etc. in order to embellish the heaven of his soul."
- And, "I love you (man) so much that I have not made you a slave but free."
- And, "My daughter, if you knew how much I desire, sigh, and love the company of the creature!"

Volumes 8 & 12

In Thy Will, with Thy Love, we love, adore, praise and glorify you:

- ❖ In God who created man out of love
- ❖ In the call to all men to love which is the fundamental and innate vocation of every human being
- ❖ In the mutual love of man and woman which is the image of God's absolute and unfailing love
- ❖ In the love of man and woman which God blesses which is intended to be fruitful
- ❖ In the words of God, "Be fruitful and multiply, and fill the earth and subdue it."

Catechism of the Catholic Church, 1604

In Thy Will, with Thy Love, we are so sorrowful and we beg pardon:

- For ungrateful man, who wanted to leave his beginning which transformed him and lost his beauty and freshness and was subjected to alterations and continuous change
- For mankind who pretends to be deaf and pretends not to hear the call of God to return to the beginning
- For every sin that separates us from the Divine Will

Volume 17, January 27, 1925

Most Holy Trinity
in the name of all, thank you for your love.
