Rounds

Order

- In the Divine Will of God as it carries with it order, dominion and harmony.
- In all creation as it all came forth from God in order and must return with the same order as it came forth.
- In all Acts of souls desiring order and allowing the Divine Fiat be the Life of everything.

This is a picture of our world in peace and order.
This is the same state to which our souls must arrive,
but only in the Divine Will is it possible.
