INSTRUCTIONS FOR USING THE CONCORDANCE

Lesson 7

November 13, 2009

What is our concordance? It is a cross-reference of the Themes to the Volumes that Jesus taught to Luisa Piccarreta.

How do you use it? Study a Theme and then choose the volumes that pertain to that theme. (We have also listed other books such as Scripture, and the catechism.) Or as you are reading the Volumes you may find a theme you want to remember. You write it in your concordance in the alphabetical order it belongs and then note the page number where you found it under the Volume number you are reading.

How do you start a concordance? You will need a binder and a set of alphabetical dividers.

We are attaching a list of Themes to get you started and this will continually grow as you add your own themes which come as you read and meditate on the Volumes.

In the email attachments, you will find the cover for your binder; you will find a blank grid/header for adding new Themes (LEFT AND RIGHT PAGES) and you will find the concordance with many Themes already printed on the sheets in alphabetical order.

Opening your binder, your left hand page will have the Themes. Punch a hole in that sheet on the right side. INSERT IN YOUR BINDER. The sheet on your right (STARTING WITH VOLUME 7 ENDING WITH THE ADDITIONAL REFERENCES) will be hole punched on the left side, so it opens like a book. Place them in your binder.

ALL THE LEFT-HAND PAGES ARE ABLE TO BE PRINTED...WITH THE THEMES. THE RIGHT-HAND PAGES WILL HAVE THE GRID AND HEADERS FROM VOLUME 7 TO THE LAST 3 ADDITIONAL REFERENCES. I HAVE STARTED A NEW PAGE AS THE THEMES

CHANGE TO A NEW ALPHABET SO YOU CAN INSERT YOUR ALPHABET DIVIDERS EASILY AND NO ALPHABET SHOULD RUN INTO ANY OTHER ALPHABET.

THERE ARE PRESENTLY 77 PAGES OF THEMES SO YOU WILL HAVE 77 PAGES ON THE RIGHT HAND SIDE THAT YOU WILL HAVE TO COPY. IF IT IS CONVENIENT YOU COULD TAKE THE SHEETS TO A COPIER AND THEY COULD COPY THE LEFT-HAND SHEETS AND THE RIGHT-HAND SHEET BACK TO BACK TO SAVE ON PAPER. WHERE A PARTICULAR ALPHABET ENDS LEAVE A BLANK SHEET THERE SO YOU CAN ADD NEW THEMES AS YOU FIND THEM, e.g., b or d or m.

VERY IMPORTANT BEFORE PRINTING

To save paper you may want to print out only Pages 1 – 77 by putting in the exact pages of printing. After they are printed re-feed those pages into your computer face up, header going in first and then print the remaining 78 – 152 on the back starting with the first sheet, which will make the sheets back to back. You could also print in segments by exact page numbers e.g. 1 – 10...then 11 – 20...then 21 – 30...just in case you have any problems or ink runs low etc.

Another helpful tip is to use different colored markers or gel pens to separate your themes on every (7) lines or so, right across your total page from the left to the right with the same color then your eyes line up easy to find the volumes and page number.

Download (print) all the sheets we have given to you and place them in your binder.

You may want to start by going to the beginning of the Lessons and start with the Angels...and on the Theme Sheets you have the references...go along to the Volume and fill in the page number.

If you have any questions, please email me and I will be very happy to assist you in getting set-up.

May all be for the Glory of God and the Coming of His Kingdom.
Linda

CONCORDANCE**

This Book Belongs to: _____

May I enter into the Eternal, Divine Order of God, to place my absolute nothingness in the Heart of the Most Holy Trinity, to give to my Father the joy of fulfilling the purpose of my existence by doing all the acts of my life through the Immaculate Heart of my Mother, and in the Divine Will of God. And in this same manner, may I breathe, pray, eat, live, act, work, walk, and sleep.

May my soul be devoid of any longings, wants, or desires, except for those of my beloved Divine Will, and may You do with me whatever You want or desire! All I ask is that You bind me to Your Most Holy Will so intimately that I may never swerve from carrying out what I know to be Your good pleasure, and that I remain so docile to the movements of Your Divine Will that You never perceive even a breath of resistance in my soul to Your desires for me!

Come Divine Will with all the Angels and Saints, especially my Sweet Mother, to touch my forehead to imprint on it the Holy Spirit and infuse in me the Light, so I can understand the truths and goods that are in these writings and prayers!

Amen!
