## Rounds

### The Water of the Flood Prefigured Baptism

- In the baptism with water we became the adopted children of God and with our second baptism we become the legitimate children of God.
- In baptism of water the indwelling of the Trinity began in our souls.
- In the mystical grace in our souls which began at baptism and grew in union with God to become Living Hosts with the Real Life of God in our souls.
- In all the crosses and mortifications which are baptismal founts.

Noah's Ark and the flood was to destroy sin. The great flood is a testament  
To God's determination of wiping sin from the face of the earth.
