LETTERS OF GOLD

From the House of the Divine Will

Issue No. 14 August 1996

ANNOUNCING THE THIRD FIAT OF GOD

The Recall of the Creature to the Order, the Place and the Purpose for which it was created by God

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

Truly a Volcano of Interest in the Reign of the Divine Will!

For years and years the **Writings which are to Renew the Face of the Earth, the Writings which will bring a Glorious New Era to the world, the Writings which disclose the Mystery of God and the Mystery of His Will, the Writings which will bring about the return of Humanity to the Original Purpose for which God created us, the Writings which are given to the world in 36 Volumes known as the "Book of Heaven"**—have not received their deserved attention. But that has all changed dramatically in the past two years, and especially in the last six months!

In January of 1994, the Highest Officials of the Catholic Church directed Archbishop Carmelo Cassati of the diocese where Luisa Piccarreta lived to begin the Process of her Beatification. In the Fall of 1994, the Vatican directed the Archbishop to open the Cause on the Feast of Christ the King, November 20,1994. From the moment of that historic event a new and genuine interest in Luisa and her Writings began to unfold, building rapidly. In December of 1995, the First International Congress for the Reign of the Divine Will was held in Costa Rica, attended by several members of the Official Church Tribunal responsible for Luisa's Cause including the President of the Tribunal, Archbishop Carmelo Cassati, who has universal authority in all matters pertaining to the Writings, relics, and other effects of Luisa. (Not everyone who has undertaken to promote the name of Luisa Piccarreta has been obedient to his authoritative decrees nor united under his paternal umbrella. This has brought sorrow to the Archbishop, who has been in direct consultation with the Vatican concerning this problem, a problem which could negatively affect the outcome of Luisa's Cause; and this would be a great setback to the Reign of the Divine Will.) The fruits of that Congress in Costa Rica shook the world, and just a few weeks later, Cardinal Ratzinger's Office invited Archbishop Cassati to come to his Special Archive, where Luisa's Original Writings had been resting for 58 years and make copies of them! As reported in our last issue of "Letters of Gold" a team of four Priests and two laity went in Archbishop Cassati's stead, and for four days ending on February 2,1996, made copies of those Writings of inestimable value, which were placed under the custody of Archbishop Cassati. *It is our opinion that this unveiling of the original words of the "Book of Heaven" was a greater event than Moses coming down from Mount Sinai with the Ten Commandments*—for these Writings will renew the Face of the Earth and provide the certain means for the return of mankind to the original spiritual state of our first parents, Adam and Eve. (Concerning these Writings, there is only one organization recognized, authorized and blessed by the Church to publish and promote the Writings of Luisa. That organization is the "Association Luisa Piccarreta" of Corato, Italy, and its authorized extensions.)

The Past Six Months—February to August 1996 !

There has been an incredible and dramatic increase of activity and interest in Luisa, her Writings, and the Reign of the Divine Will on earth as in Heaven. Because of all this it has not been feasible to issue another "Letters of Gold" until now. We promised to try to get out at least 4 issues per year. This is our third issue for 1996. The first two newsletters this year were in January and February. Thank all of you for your subscriptions, sending us $5.00 annually to offset expenses.

Fr. Thomas Celso, Ecclesiastical Aide for Luisa's Cause, and I have been doing an enormous amount of traveling, giving local and regional Conferences on the Reign of the Divine Will. Since January, we have been together to Italy; to Georgia, Virginia, California, Oregon, Washington, Maine, New York, Oklahoma, and New Jersey; to Ireland, Northern Ireland, Scotland, and England. In addition, Fr. Celso has given several presentations in his home state of New York. And as we write this newsletter, Fr. Michael Adams is presenting the Great News of the Divine Will in England and Ireland. In Latin America, Fr. Carlos Massieu, who has Archbishop Cassati's trust and blessings, has been broadcasting the great news of the Kingdom everywhere!

During all this time, the faithful volunteer staff here at the Center for the Divine Will in Jacksonville, Florida, has been up late at night filling an avalanche of orders for English Language translations of Luisa's Writings on the Gift of the Divine Will. It is astonishing what these dedicated volunteers have been able to do!

Videos: In March, through the agency of Marine Major Paul Simoneau and his wife, Ann, Fr. Celso and I were able to go to a professional TV studio where a **4½ hour session explaining the history and Gift of the Divine Will** was made. This session, providentially turned out very well, and is recorded in a set of 3 video tapes, which we offer for suggested donation of $20, which is our cost. (See #AV-2 on our Publication List). We have gotten many letters and phone calls praising these tapes because they have brought many people to a rapid understanding of what the Gift of the Divine Will is, and how it all fits in to the Eternal Plan of God. We highly recommend them because they will help you grow more rapidly in the knowledge of the Divine Will based upon Luisa's writings.

Another great Video: While in Washington State, Fr. John Brown of the Tribunal for Luisa's Cause in Italy, who had already joined us in Oregon, participated with Fr. Celso and me in another professionally made video taping at the home of Dr. Keith Rodaway. This session also ran about 4½ hours. The producer of this Video is a Catholic father of nine children, Mr. Mark Northrup of Our Father's House Communications - 9560 Ray Miller Lane S.E. - Port Orchard, WA 98366-9513. He offers this set of 3 video tapes for $39.95, which is also being advertised in several Catholic papers.

You are invited !

Publishing the Writings

During several of our conferences, Fr. Thomas Celso brought up the fact that it would be very helpful to have sponsors for publishing the Volumes of Luisa as they are translated and prepared for printing. He specifically mentioned **Volume 10**, which contains a lot of words of Our Lord concerning his wishes for Priests. We are delighted with the generous response to Fr. Celso's plea, and we will be able to have a larger number printed professionally in "bookstore quality" than expected. In fact, **Volume 10** should be ready in mid-August. We have also received some sponsoring funds for our General Publishing needs. This is very, very important because we are preparing several more Volumes which we would like to publish as soon as possible. **Just think—next March 4th is the 50th Anniversary of Luisa's death.** Wouldn't it be great to have all of the first 19 Volumes available in English to mark that anniversary! With everyone's participation, we believe it is possible. (Several Priests, who have been involved with promoting the Divine Will for many years, recommend studying the higher volumes, 11 through 19, along with the lower volumes, 1 through 10.) But we don't have them all yet. Maybe that will change? We are currently preparing Volumes 7, 8, and 11 for potential printing in the near future; and other Volumes are also coming along.

Not only has there been a growing and generous response to our publishing needs (for example Volume 10), but there have been some very dear souls who have been contributing to the operating expenses of the Center for the Divine Will on a monthly basis. Some cenacles, as well as individuals, have been doing this quietly and regularly, and we are so grateful for this act of kindness.

Speaking of the upcoming 50th Anniversary of Luisa's death next March, we hope that we can have an excellent biography of Luisa professionally written and published in time for that event.

National and International Magazines in USA, England and Australia recently have featured articles about Luisa and the **Reign of the Divine Will**. This has helped the **Reign of the Divine Will** enormously!

Your Letters

Because of the tremendous growth this year of interest in Luisa and the Reign of the Divine Will, and filling orders, translating, traveling etc., we have not been able to respond to all of your letters and questions.

Joyous Celebration in Corato

In honor of the 50th Anniversary of Luisa's splendorous passing into Eternity, having completed the earthly part of her Great Mission to herald the Reign of the Divine Will on earth, **Fr. John Brown of the Tribunal reponsible for Luisa's Cause** is inviting you to join with us in celebrating this event in Luisa's home town of Corato, which lies in the vicinity of Bari, Italy. **(March 4th, 1997)**

The planning has just begun, so not all the details have been worked out yet. All dates and travel arrangements will be provided by Catholic owned **Pentecost Tours** which collaborates with NET to provide high quality tours to shrines and holy places. There will be side trips to the Holy Lands, places in Italy, and to Fatima, Lourdes, etc., for those who would like to go to these places. **Please don't call** the Center for the Divine Will for information, but **please do call Mr. Gary Foster of Pentecost Tours** at **800-713-9800,** PO Box 280 - Batesville, IN 47006-0280.

A letter from Fr. John Brown

I would like to share with you one of the topics which has been close to my heart in the past several months, one that has only been highlighted by reading all of Luisa's Writings.

In our time of spiritual confusion, even within the Church itself, it seems that our world is suffering from several illnesses which come forth from the faculty of the will and obscure our vision as we progress towards the completion of history. It touches upon three virtues which are fundamental to the practice of our faith: *charity, truth, and obedience.*

We sometimes have an infantile conception of *charity*, as if it were some human virtue. "If someone is put into a position to say something about me that I don't like, that person is lacking in charity."— This is tantamount to a temper tantrum that we could expect from a small child. It has never been expected of a child to demonstrate maturity and responsibility.

As we grow in our *faith* we see that *charity* means, very simply, love of God and an honest attempt to imitate the life of our Lord. God, since the very beginning, has never asked of his creatures more than that. It was made clear also, from the very beginning, that when we remain in the *truth* and in *obedience*, then we are responsibly giving testimony to true Christian *charity*.

In Volume 23 (September 21, 1927), Our Lord tells Luisa: "The *truth* is greater than a miracle... What wonderful things can the *truth* not perform: it creates saints, converts souls, dissipates the darkness and has the power to renew the world." It is unfortunate that many who have difficulty with under- standing and living in the Divine Will have this difficulty because they suffer from an epochal illness (and it is a sign of the times): *the incapacity to recognize, possess, and transmit the truth.*

On my recent tour of Texas we discussed extensively the absolute necessity for the individual to embrace, adore, and transmit the *truth*, if he or she wants to be a disciple of the Kingdom. We do indeed have eyes in our day and refuse to see.

We also know how Luisa felt about *obedience*. It was certainly no joking matter for her to *unquestionably* submit to any and all authority in her regards. This applies especially to us Priests, who have no power whatsoever if we are not *in communion with* our Bishop. The lack of will to obey is the premier manifestation of the Evil One working upon us. He serves no one and he denies the *truth.*

If you do not see with the eyes of a child, and if you do not place your hand as a little child in the loving Hands of your Father, it is useless to pursue living in God's Kingdom. How very insidious is the human will, how blind and disobedient it is.

Volumes 31 and 32 tell us how one must surrender himself before God in his own state of life if he desires to live in a world re-created by the Divine Will, and I am sure that it is for this reason that the upper volumes have been conserved until our day. It was necessary for man to exhaust all evil before he could turn to God and desperately cry out that His Kingdom come, just as the worn-out Jews cried out for the Messiah, to be saved from their sins.

Dear friends, let us speak correctly if we wish to speak of divine virtues. We should join hands in our prayer... We must remain in *charity,* united in *truth* and *obedience;* but the moment you place yourself above these virtues, you have eliminated yourself from any possibility of knowing God's Will in your life. This means your unending loyalty to Christ's Church and to its appointed representatives.

It should also be observed that those of us working in union with Archbishop Cassati are part of an ecclesiastical association with constitutive statutes. There are many civic associations in the world which have religious themes but have nothing to do with the Church hierarchy. Many of these work with good will but should not identify themselves as associations with official ties to the Church.

Being in *obedience* doesn't mean that an organization can do what it wishes until the Church shuts it down; that constitutes a libertine attitude towards such a "noble lady," a term Luisa often used in referring to *obedience*. Obedience is loving and charitable because it comes from Our Lord; it cost Him His life, and it should not be treated so roughly.

We hope you have an opportunity to participate in the several local conferences which will be held during the remainder of the year as well as the big National Conference in Dallas in November. It is important that you remain close to Fr. Tom Celso, Fr. Mike Adams, and Mr. Tom Fahy as they continue to spread the wonderful news of God's glorious Kingdom.

May God place you all under the benediction of the Divine Fiat,

Father John

The Divine Will Leads Us to the Most Beautiful Epoch of all Centuries

[Fr. John faxed us the following excerpt from one of the higher Volumes]

Jesus: "My daughter, each manifestation that I have made to you about my Divine Will is like a page of your life; and if you only knew how many goods they enclose. Each of them is a current between Heaven and earth. Each is one more Sun which shall shine over the heads of everyone. These pages will be spokesmen for the Heavenly Fatherland. They are steps which prepare the way for my Divine Volition to approach creatures. And so, these manifestations that I am disclosing about It, as pages of life, will form an epoch for future generations in which they will read about the Kingdom of my Fiat, and about the so many steps It has taken to come into their midst, and the new rights It ceded them to let them re-enter into Its Kingdom.

My manifestations are decrees; and then I am moved to manifest a knowledge when I want to give the good that I am making known. All that I said to you about my Divine Will is divine capital that I have put forth. Therefore, they will be the most beautiful pages of your life which will enclose the long story of my Will; and interweaving with the history of the world, they will form the most beautiful epoch of all the centuries." [end of excerpted passages]

Prayer Composed by Blessed Fr. Hannibal Di Francia to Immaculate Mary

Note: Blessed Hannibal was a special Confessor of Luisa, who truly took Luisa's writings to heart, applying the sublime knowledge he gained from them. After he died in 1927, Our Lord revealed to Luisa that Fr. Hannibal was the first person since Our Lady to enter Heaven after having done the Will of God on earth as in Heaven.

Immaculate Mary

Give me the grace to annihilate my will before the Will of your Divine Son so that the Will of your Divine Son be mine.

Kindle my heart with Divine Love! Insure that the purest flame of God's Love penetrates deeply in my spirit and routs out my selfishness. Give me a tender devotion to the Blessed Sacrament and your Holy Love so that I may love you as You deserve.

Help me to detach perfectly from everything, from all creatures and myself, renouncing myself and everything to live only in God.

My tender Mother, obtain for me a deep humility from God, internal and external humility, a deep knowledge of myself, and a spirit of mortification so that I might humble myself before God and creatures. Help me to have contempts and humiliations loved but myself despised. O Mirror of Humility grant me the virtues of humility and obedience.

Grant me the virtue of meekness and sweetness so that I may treat people with kindness, especially when I meet the ones for whom I feel repugnance. Give me a simple, merry, sweet, gentle, kind, benign, compassionate, meek and humble heart.

Impetrate for me a profound contrition and intimate sorrow to make my heart bleed for my offenses against your Divine Son.

Grant me a spirit of holy prayer, the grace of meditating upon the sublime truths of the Faith, especially the Passion of Jesus and your sorrows. Give me the grace of praying in the occasions of sin. Grant me a holy recollection, the grace of being aware of your holy presence, and the virtue of silence.

Grant me from God the holy virtue of spiritual and bodily purity; as well as purity of conscience through humble, frequent, and sincere Confession, for the greater glory of God.

Obtain for me a heroic faith along with a loving, filial confidence in the Most Sacred Heart of Jesus and in your Motherly affection.

Grant me fervent zeal for the glory of God and the salvation of souls, letting me perform the duties of my priestly ministry perfectly. Ensure that I celebrate the Holy Sacrifice of the Mass and recite the Holy Canonical Hours with deep recollection and intimate devotion.

My tender Mother, give me the virtue of fortitude to prevail over myself through internal and external mortification. O valiant Lady, You have conquered Hell. Give me strength to triumph over the devil, the world, and the flesh.

You who are our life and hope, please grant me holy, final perseverance in the grace of your Divine Son. Ensure that I live and die saintly and love You in Paradise forever.

Mary's 20th Century Mission for the Reign of the Divine Will

Throughout this 20th Century, in her title and role of Mother and Queen of the Divine Will, Mary has been diligently and sweetly fulfilling the Divine Mandate to prepare her elected children for the Reign of the Divine Will on earth as in Heaven. Who can number all her loving interventions to warn, convert, protect, encourage, and instruct us, and lead us into the Glorious New Era of the Triumph of her Immaculate Heart—the Reign of the Divine Will—the fulfillment of her Divine Son's great Prayer?

Truly, all that She has been doing throughout this Century has one finality: that her children return to *the order, the place, and the purpose* for which our God and her God created us all. Saturated with God and rich with his goods, our dearest Mother wants so much for her children to possess what She possesses—the Glorious Kingdom of the Divine Will. And now we are seeing the fruits of her efforts.
