ANNOUNCING THE THIRD FIAT OF GOD

*The Recall of the Creature to the Order, the Place
and the Purpose for which it was created by God*

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

**Major International Conference on the
Spirituality of Luisa Piccarreta Set for
November 12-16, 1997, in the City of
Rome, Georgia**

Vatican City:

**One-year-old Luisa Schneider meets
Pope John Paul II** in private audience and presents him with a relic medallion of the Servant of God, Luisa Piccarreta, and takes her second step! Little Luisa Schneider was born on March 3, 1996, into the family of Dr. and Mrs. Dan Schneider of Virginia Beach, VA. That was the eve of the anniversary of Luisa Piccarreta's death (March 4, 1947). Little Luisa Schneider was named after "guess who?" Well, this little girl took her first step on the balcony off the living room of Luisa Piccarreta's apartment! This happened at the time of the big celebrations for the 50th anniversary of 'big' Luisa's passing which were held in Corato, Italy, last March.

Immediately following the celebrations in Corato, Luisa's mother, Mrs. Dan Schneider and four other women (Karen Page, Cathy Leitz, Teresa Tamburello, and Ann Burns) from Virginia Beach, Virginia, had a private audience with the Pope.

Ecclesiastical Tribunal Determines that Luisa's Life was of Heroic Virtue and Great Sanctity and that Her Mystical Experiences were Authentic

The Ecclesiastical Tribunal, headed by Archbishop Carmelo Cassati, which is responsible for the Cause of Beatification of the Servant of God, Luisa Piccarreta, has completed the required evaluations of Luisa's life and her mystical experiences. The announcement, given to the visitors to Corato last March on the occasion of the 50th anniversary of Luisa's passing, brought a heightened sense of gladness to the those gathered outside the doors of Santa Maria Greca Church, where Luisa's remains are buried.

The announcement stated that the Tribunal unanimously agreed that Luisa Piccarreta's life was one of heroic virtue, without blemish, blazing like the sun. Concerning her mystical experiences, it was determined that they were truly authentic. The "Devil's Advocate," whose duty it is to present arguments against the holiness of a person being considered for sainthood, was unable to raise even one objection.

The theological commission which has been requested by the Church to make an independent evaluation of Luisa's writings has made an excellent progress report; yet, we have recently been told that there is still some unfinished business to be taken care of.

The 3rd International Conference on the Kingdom of the Divine Will November 12 — 16, 1997

Rome (not Italy) but **Rome, Georgia**, situated in the foothills of the Appalachian Mountains northwest of Atlanta, Georgia, will be the site of a major international conference on the spirituality of the Servant of God, Luisa Piccarreta. There is a lot of excitement in the air for this conference, which will include a Children's Conference, a Spanish-speaking Conference, a Beginners' Conference, in addition to the Main and Advanced Conferences. Indications are that this will be the largest Conference yet on the Kingdom of the Divine Will. Many, if not most of the speakers will be Priests; and some of these are dynamic and exciting newcomers, as more and more Priests are becoming apostles of the Reign of the Divine Will as predicted in Luisa's writings.

The conferences will be held at the modern 'Roman Forum' where facilities are spacious and nicely furnished with plenty of room for simultaneous conferences without interfering with one another. Already, this Conference has made front page news in Rome, Georgia's city newspaper.

Actually all this and much more information is included with the Registration Form accompanying this newsletter. If you are reading this newsletter without a registration form, please request one or more Registrations from the Center for the Divine Will - PO Box 5 - Ortega Station - Jacksonville, FL 32210. There is an **Information Hot line** available for questions about this Conference: Please call **904-620-0897** from 10:00 AM to 9:00 PM Eastern Time. Feel free to make copies of the Registration.

Some Commentary and Observations: First Half of 1997

Right after the fall of our first parents, Adam and Eve, God cursed the serpent who had deceived Eve. And the Lord God said: ... "I will put enmities between you and the Woman, and your seed and her seed: She shall crush your head, and you shall lie in wait for her heel." Now this Woman is none other than Mary, whose seed is not only Jesus but those little ones, her humble and often unknown children, who faithfully do the will of God with great charity. Remember, Jesus said that He makes known the best

things to the little ones. And this is because those proud souls who esteem themselves as being vessels of great knowledge are considered by God to be the most ignorant of all. For all the knowledge that God has permitted man is but a grain of sand before His Knowledge. But our Father is most pleased to share the best things with the lowly and simple, who toil with hearts full of charity, not for their own glory but for His ever greater Glory.

This year of 1997 has been one of immense gain for the Reign of the Divine Will on earth as in Heaven! Yet, the great defeat of the serpent is still incomplete. When our enemy uses the proud, the ignorant, the self-claimed mystics, and the disobedient to pursue you with untruthfulness, doubts, and contentions, be at peace because we have the Official Church on our side as well as those who are operating under obedience to that Church. Take comfort that the Super Good News of the Kingdom is spreading to all parts of the earth. More and more Priests are becoming Apostles of this Happy Kingdom. So rejoice and be glad and do all you can to hasten the Reign of the Divine Will!!

Another observation, before going on with news from around the world. At the Center for the Divine Will, here in Jacksonville, we do get lots of reports of things going on. We are concerned about a tendency by some groups and individuals to strike out on their own, possibly breaking away from the chain of unity reaching back to Archbishop Cassati and the Ecclesiastical Tribunal responsible for Luisa's Cause. Long experience has shown that this tendency always leads to trouble of some kind. Not uncommonly, some souls of this spirit end up believing ridiculous and dangerous heresies. We have heard some monstrous statements; and, unfortunately, so have some good persons and organizations, who have been scandalized because of this. So, we ask—be vigilant.

Interesting Parallel: Luisa's 1924 Appeal and Little, Tiny Luisa Schneider's Visit to the Pope!

In 1924, Luisa Piccarreta made an appeal from her cross, which was her bed of so many years. She appealed to everyone to come and enter into the Kingdom of the FIAT. Here are some interesting words from her appeal:

"...Therefore, I appeal to all; and I make this appeal together with Jesus, with his own tears, with his Heart that burns, that wants to give its FIAT. From within the FIAT we have come forth; It has given us life. It is our obligation and duty to return to It, into our dear and interminable heritage.

"And in the first place, I appeal to the Highest Hierarch, to the Roman Pontiff, to His Holiness, to the representative of the Holy Church, and therefore the representative of the Kingdom of the Divine Will. At his holy feet, this little, tiny child places this Kingdom, so that he dominate It and make It known; and with his paternal and authoritative voice, call his children to live in this Kingdom so holy."

Is our wonder justified in pondering how Divine Providence arranged for *little, tiny* Luisa Schneider to come from her visit to *little, tiny* Luisa Piccarreta's home to the feet of the Highest Hierarch, the Roman Pontiff, bringing him a relic medallion of Luisa Piccarreta, the Herald of the Kingdom of the Divine Will?

News from Various Places

Ireland:

The First Irish National Conference on the Divine Will will be held at the Shrine of Our Lady of Knock on Saturday, October 11, 1997. Speaker(s) are expected from the Tribunal representing Luisa's Cause of Beatification, as well as speakers from America, Ireland, and Britain. Contact the Salesian House, Maynooth, County Kildare, Ireland. Telephone from USA: (011-353-1-628-6111).

In Northern Ireland contact Mr. Frank Coll, 16 Drumsill Park, Armagh BT61 8EG. Tel: (011-44-1861-525909). This development stems partially from the twelve-conference tour of Ireland and Northern Ireland in May of 1997 by Fr. Celso and Mr. Fahy, but mostly from the efforts of Con and Elizabeth MacCuinnganhna.

Durban, South Africa:

Conferences on the Kingdom of the Divine Will have been requested for South Africa in December.

The South Pacific:

We are getting lots of mail and requests for books from Australia, New Zealand, and even from New Guinea. Fr. M.F. Maher, S.J., has a distribution center set up in Hampton, Victoria, Australia.

The United States of America:

1. Interest in Luisa keeps growing and growing. See Page 2 about the big, Third International Conference on the Spirituality of Luisa Piccarreta to be held in Rome, Georgia, in November!

2. New set of professionally made videos with Fr. Celso and Tom Fahy available soon—produced by convert, Richard Clements, formerly of CBS. News of Luisa's writings are often on radio in Philly! (WTMR, 800 AM) - At 5:00 pm, Monday through Friday.

3. **We are on the INTERNET!**— thanks to Major Paul Simoneau and his wife, Ann, who have worked long hours and many months at their own expense to set up this website to make Luisa better known.

For authorized information on Luisa Piccarreta, etc., our Internet address is <http://www.divinewill.org>

4. **NOTE:** We received a very just complaint about numerous phone calls to a well-known personage in Catholic circles, who has just been exposed to Luisa's writings and has not yet formed an opinion. Please avoid rumors and breaking confidentiality. This can do much harm. **Check with us first!**

5. **Publications:** We are very grateful for the support given to publish Luisa's writings. In recent months we have received sufficient funds to publish Volumes 11 and 12, which we are trying very hard to prepare for printing as soon as possible. The problem has been the incredible amount of time traveling on behalf of the Divine Will. Other works in progress are the Biography of Luisa, "The Prodiges of Love that the Divine Will worked in the Queen of Heaven," Volumes 2, 4, 6, 9, and 16. When those are able to be published, Our Lord may open the doors to the higher volumes beyond Volume 19. We shall see what the future brings. Our usual procedure is to invest the tax-exempt donations received from contributors for an initial printing of a new work or Volume and then recycle the revenues for additional printings of the same book. Some contributors like to specify which book they wish to support.

6. More and more capable speakers for the Divine Will are coming along, both in the Priesthood and in the laity. Little by little these good souls will help relieve the "old timers." And this may allow the writings to come out faster. Along these lines there are tentative plans for training classes for those who would like to be authorized speakers.

World Wide:

We are receiving numerous reports from all over the world of Luisa's powerful intercession, granting all manner of favors, ranging from physical cures to resolving spiritual problems to very practical situations like the happy ending for family in a terrifying, South American, kidnapping situation; or a lady whose auto theft prevention device just wouldn't unlock for her. She finally prayed to Luisa. Instantly the device disintegrated, and she was on her way. Please send your reports of favors and possible miracles to us in writing!

**Look forward to seeing you in Rome, Georgia, in November.
Tell "everybody" to come! God bless you.**
