ANNOUNCING THE THIRD FIAT OF GOD

*The Recall of the Creature to the Order, the Place
and the Purpose for which it was created by God*

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

SPECIAL SHORT EDITION

1000 Expected at Third International Congress for the
Reign of the Divine Will
in Rome, Georgia, November 12 - 16

Teams of workers are preparing everything for a super gathering of the Divine Will family who will be arriving from lands far and near. Most of the speakers will be Priests! Unique to this Congress is the Special Children's Conference, and a great amount of effort by dedicated workers is going into preparing things for the children who will be meeting in their special nice area of the spacious facilities of the Roman Forum. The Spanish-speaking Conferences will be held in another very nice special area. Fr. John Brown, Secretary for the Tribunal Responsible for Luisa's Cause visited the site last month and was greatly impressed with the facilities and the friendly, helpful people of Rome, Georgia, who are giving so much assistance to us for this congress. Our thanks to all the Divine Will workers in Georgia, Florida and other states who are cooperating to make this such a happy event to help bring about the Reign of the Divine Will on earth as in Heaven. Call 904-381-1220 (10am-9pm EST) to Register.

The First National Italian Conference on the Divine Will was held in San Giovanni Rotondo the weekend of October 4, 1997, at the same time that another wonderful conference was held near Philadelphia with 400 attendees (100's more wanted to come but space ran out). We are amazed at the incredible fruits coming from the volunteer staff of Don Latieri's Philadelphia Radio Program, IHS, (In His Sign) on WTMR, 800 AM at 5:00 pm, M-F. The 1st Irish National Conference is set for October 11, at the Shrine of Our Lady of Knock.

The Concept of Unity

Perfect Unity exists eternally in God. Though there are three distinct Persons in God, They live forever in perfect unity of essence, nature, being, and will. In the writings of Luisa, Jesus points out that the greatest, most sublime and most beautiful thing that can be said about the Blessed Trinity is that they have one, same Will which reigns supreme among the Three, animating and directing all that They do. Our Lord tells us through Luisa's writings that if one of the Three Divine Persons should have a Will different than the other two, even though it be a divine will, the Trinity could not be happy. And so, in creating Adam and Eve, God wanted them to live spiritually in the Kingdom of the Divine Will, sharing one same Will with the Father, Son, and Holy Spirit. Only in this way could our first parents be truly happy—happy in themselves, happy with one another, and happy in God and with God.

Didn't Jesus pray for this perfection of Unity at the Last Supper? Didn't He pray in the Lord's Prayer that the Father's Will be done on earth as in Heaven. When we say AS in Heaven, whether we realize it or not, we are praying that we all live in that most beautiful unity of the Divine Will, so that true happiness and harmony will reign on earth. Doesn't Holy Scripture speak of that blessed time when there will be one Fold and one Shepherd? How can this ever come about unless humanity turns over each person's own will to God so that He can give each of us His Will to possess. In this beautiful fulfillment of the "Our Father" we will truly become one family not only among ourselves but with the Most Blessed Trinity, Mary, Luisa, and all the inhabitants of the Celestial Fatherland!

In Volume 17 of the "Book of Heaven," Jesus has this to say: "When my Will reigns in a complete manner in the creature, then charity will reach complete perfection in the creature. Then creatures will find themselves—by virtue of my Will in them—loved, defended, and sustained by one another as God loves, defends, and sustains them. My Volition will be transfused into the creature as its own life. Then all the virtues will reach their complete perfection because they will not be nourished with human life but with Divine Life."

So, when we all meet in Rome, Georgia, in November, Jesus and Mary will be in our midst giving us graces and inspirations, leading each one of us silently to the knowledge and life of the Divine Will because They want this perfect family of Unity on earth. All the Angels and Saints will have their gaze riveted upon us, full of expectant joy and great anticipation to see Our Father in Heaven most perfectly glorified on earth. All of Heaven is counting on us to help establish the glorious Reign of the Divine Will. What an incredible calling—to live in the Divine Will!!

Here is something from the now available Volume 12

Jesus says to Luisa: "Have you seen what living in my Will is? It is to disappear. It is to enter into the ambience of Eternity. It is to penetrate into the Omnipotence of the Eternal, into the Uncreated Mind, and to take part in everything and in each Divine Act inasmuch as it is possible for a creature. It is to enjoy, while remaining on earth, all the Divine qualities. It is to hate evil in a Divine way. It is that expanding of oneself to all without exhausting oneself, because the Will that animates this creature is Divine. It is the Sanctity not yet known, and which I will make known, which will set in place the last ornament, the most beautiful and most brilliant among all the other sanctities, and will be the crown and completion of all the other sanctities.

"Now, living in union with Me is not to disappear; two beings are seen together. He who does not disappear cannot enter into the ambience of Eternity so as to take part in all the Divine Acts. Ponder well and you will see the great difference."

We Hope to See You in Rome, Georgia!
