LETTERS OF GOLD

From the House of the Divine Will

Issue No.2 September, 1993

ANNOUNCING THE THIRD FIAT OF GOD

The Recall of the Creature to the Order, the Place and the Purpose for which it was created by God

* * *

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

Explanation of the title of this News Letter: In the beginning of the book: *"The Virgin Mary in the Kingdom of the Divine Will,"* there is a most beautiful appeal from our Mother and Queen to us, her children, to enter into her Kingdom, that is, into the Kingdom of the Divine Will. She goes on to explain the purpose of her book; and She says that those who receive it with love will be the first fortunate children who will belong to the Kingdom of the Divine Fiat; and She will write their names in her maternal heart with **letters of gold**. Another reason for choosing this title is that we hope to publish for you more than one letter, thus there will be more **letters** to come. A third reason is that, under the maternal gaze of our Mother in Heaven, we have the sincere hope that all the **letters** *which form the words* of these newsletters will convey messages of **spiritual gold** for the perfect glory of Our Father who is in Heaven and to the supreme benefit of souls.

** *** **

The purpose of these Letters of Gold is to help make known the New Era of Divine Sanctity, which has already begun in a mysterious way upon this earth. This new era is the fulfillment of Jesus' Prayer to our Heavenly Father that his Will be done on earth **as** in Heaven. This is the greatest of secrets: **how** God's Will is done in Heaven - so on earth. This new era will bring the greatest glory to the Church ever known. It will be the Reign of the Divine Will and the Reign of the Holy Spirit who will renew the face of the Earth.

• *We dedicate this Issue No. 2 to God the Son, who is Jesus.* •

This is our second issue of **Letters of Gold**. The title page will remain basically the same for the first few issues to familiarize readers with the reason for the title and purpose of this newsletter. Our first issue which came out in June of 1993 is an *introductory issue* about the Third Fiat of God. We recom- mend new readers to write for a copy of that issue.

The first issue featured the Paternal Appeal from the Divine King proclaiming the Kingdom of his Will, calling and pleading us to enter into It. Also featured was an explanation of the Three Fiats of God and a brief report about some of the principal pioneers of the New Era of the Third Fiat of God which has already begun upon the earth in a gentle and quiet manner, hidden from the eyes of the worldly.

In this issue we will include The Maternal Appeal of the Queen of Heaven and information about Association Luisa Piccarreta located in Corato, Italy, where Luisa lived; and more about Luisa.

* * *

In the late 1920's, each day at 4:00 PM, Luisa would ask the lady of the house, who assisted her, to close the curtain around her bed. Then the Blessed Virgin Mary would come from Heaven and communicate to Luisa the chapters of a book to be entitled "The Virgin Mary in the Kingdom of the Divine Will" in which Our Lady describes her life in the Divine Will from the instant of her Immaculate Conception until her last moments on earth and teaches us how we, too, can take possession of the Gift of the Divine Will and live the life of Paradise here on earth, doing the Will of God as in Heaven as She did.

This book was subsequently published under the direction of Luisa's last confessor, Don Bennedetto Calvi. There were three Italian editions with the then required imprimaturs. This holy and most beautiful book began with an appeal from the Queen of Heaven for her children to enter into the Kingdom of the Divine Will. Here is that appeal:

MATERNAL APPEAL OF THE QUEEN OF HEAVEN

Dearest child, I feel the irresistible need to descend from Heaven, to pay you my maternal visits. If you will assure Me of your filial love, your fidelity, I will remain always with you in your soul to be your teacher, model, example, and most tender Mother.

I come to invite you to enter into the Kingdom of your Mother, into the Kingdom, that is, of the Divine Will; and I knock at the door of your heart so that you open it to Me. Do you know? With my own hands I bring you this book as gift: I offer it to you with motherly care so that you, in your turn, in reading it, may learn to live on Heaven and no longer on earth.

This book is of gold, my child; it will form your spiritual fortune and also your terrestrial happiness. In it you will find the fountain of all goods: if you are weak, you will acquire strength; if you are tempted, you will acquire victory; if you have fallen into sin, you will encounter the compassionate and powerful hand which will lift you up; if hungry, you will enjoy the exquisite food of the Divine Will. With It you will not lack anything; you will no longer be alone, because your Mother will keep you sweet company and, with her maternal care, will undertake the pledge of making you happy. I, your celestial Empress, will think of all your needs, if only you will consent to live united to Me.

If you only knew my anxieties, my ardent longings, and also the tears that I shed for my children! If you only knew how I yearn with the desire that you listen to my lessons all of Heaven and learn to live on Divine Will!

In this book you will find marvels: you will find a Mother who loves you so much as to

sacrifice her beloved Son for you, so that you can live with that same Life with which She Herself lived upon the earth.

Ah, do not give Me this sorrow; do not reject Me. Accept this gift of Heaven that I bring you. Receive my visit, my lessons. Know that I will go about all the earth; I will go to each individual, into every family, into the religious communities, into every nation, beside all peoples; and, if necessary, I will go around for whole centuries until as Queen I have formed my people, and as Mother my children, who will know and let reign everywhere the Divine Will.

Here is explained to you the purpose of this book. Those who will accept it with love will be the first fortunate children who will pertain to the Kingdom of the Divine Fiat; and I will write their names in my maternal heart with letters of gold.

Do you see my daughter? That same infinite love of God, that in the Redemption wanted to make use of Me for the descent of the Eternal Word upon the earth, calls Me once again into the field and confides to Me the arduous task, the sublime mandate of forming upon the earth the children of the Kingdom of his Divine Will. Thus, with the kindness and care of a mother I put Myself to work and prepare the way which you must follow to this happy Kingdom.

To such purpose I will give you sublime and celestial lessons; and, finally, I will teach you new and special prayers by which you will engage the heavens, the sun, creation, my own Life, and that of my Son, and all the saints, so that they will impetrate in your name the adorable Reign of the Divine Will. These prayers are the most powerful, because they involve the divine operation itself. By their means, God will feel Himself disarmed and won by the creature. Fortified with this support you will hasten the advent of his most happy Kingdom; and with Me you will obtain that the Divine Will be done on earth as in Heaven, according to the desire of the Divine Master.

Courage, my child. Make Me content, and I will bless you.

Association Luisa Picccareta - Little Children of the Divine Will

On March 4,1987, the 40th anniversary of Luisa Piccarreta's death, there was established in Corato, Italy, with the approval of the Catholic Church, an association whose purpose is to make known Luisa Piccarreta and her glorious writings on the Reign of the Divine Will which were given to her by Our Lord Himself. The founders of this association are *Archbishop Giuseppe Carata and Sister Assunta Marigliano.* Here are the essential paragraphs of the Archbishop's decree establishing this Association:

In accordance with Canons 299 (sections 2 and 3) and 300, we recognize as established; we praise, recommend and give our consensus that the Pious Association "Luisa Piccarreta" - Little Children of the Divine Will seated in Corato, Archdiocese of Trani, Barletta, Bisceglie, Italy, and located at Via Nazario Suaro, No. 25, Corato , Italy, be identified by the name "Pious or Catholic"

The established Association will conform itself according to the general norms of Canons 321-326, and by the above-mentioned Statute which we have approved.

In full uniformity and submission to the Divine Will, which we feel has clearly shown itself through the signs of the times and throught the fervor of these adherents and their beneficial fruit in the apostolic field, we encourage all and exhort them to continue in their greater pursuit of sanctity and in their church ministry, sustained by abundant heavenly blessings.

signed: + Giuseppe Carata, Archbishop

Dated at Trani, at our Palace of the Archbishropic, the 4th day of March, 1987, the fortieth anniversary of the pious departure of Luisa Piccarreta.

#2.

The Association is located in the very place where Luisa spent most of her life. There you will find a chapel, Luisa's bedroom and her bed where she remained for 64 years without food or water, sustained by the Holy Eucharist and the Divine Will. There, also, is a tiny museum of many of the things associated with her life. *Of interest to Americans* is the fact of the regular presence of *Fr. Michael Adams,* Chaplain of the Daughters of Divine Zeal in Corato, and *Br. John Brown. Fr. Michael* is from Florida, and he sends us his priestly blessing in the Divine Will each day. *Br. John*, who is on the way to being ordained a priest, is from Texas. *Sister Assunta Marigliano* is from Naples, Italy, and lives at the Association headquarters, ever vigilant to do all she can to preserve Luisa's place and direct the affairs of the Association.

Archbishop Carata has since retired. He is succeeded by Archbishop Carmelo Cassati, who has visited the Association a number of times and has spoken most favorably of Luisa.

We recommend visits to the Association as well as letters. This activity will do much good to make Luisa and her sublime mission known for the sake of the Reign of the Divine Will. If you read Italian you may want to subscribe to their monthly newsletter. (Let us know.)

Questions and Answers

(cont'd from previous issue)

Q. **In the Lord's Prayer, what is meant by the words: "Thy Kingdom come"?**

A. The words, "Thy Kingdom come," taught by Jesus Himself, signify that He did not come to establish the Kingdom of the Divine Will; otherwise, He would have said: "My Father, our Kingdom which I have already established on earth, let It be confirmed and our Will rule and reign." Instead, He said: "Come." This signified that It must come and that creatures must await it with that certainty which the Hebrews awaited the future Redeemer.

Q. **Was Luisa Piccarreta the very first person to receive the Gift of the Divine Will?**

A. Except for Adam and Eve in the beginning and Jesus and Mary, Luisa was the first. This becomes very clear upon examination of her life and writings. Jesus called her the Herald of the Divine Will; the Little Daughter of the Divine Will; the Little Newborn in the Divine Will and other titles, explaining to her how she was the first to be called into the New Era of Divine Sanctity in fulfillment of the Lord's Prayer.

More on Luisa and the Divine Will

(words of Our Lord to Luisa assuring that she is the first - taken from various volumes)

Jesus to Luisa: Why marvel that I have called you to be the first? ...it is so true that I have called you to be the first, that to no other soul, however dear to Me, have I manifested the manner of living in my Will, Its effects, the marvels and the goods the creature receives operating in the Supreme Will. Check how many lives of the Saints you wish, or books of Doctrine; in none will you find the prodigies of my Will operating in the creature and the creature operating in mine. At the most you will find resignation, union of wills; but the Divine Will operating in it and it in Me, in no one will you find it. This signifies that the time had not

yet arrived in which my Goodness should call the creature to live in this sublime state. Even the very manner in which I have you pray cannot be compared to any other. ...If I waited so many centuries before making known my Will operating in the creature and its operating in mine, it was because I first had to dispose men to pass from lesser knowledge to greater. ... When I make a truth known to man it is a sign that I want to give it to him as a Gift.

...Its first fulfillment, my Daughter, I want from you... This is why I often speak to you about living in my Will, which until now I have not manifested to anyone. At most they have known the shadow of my Will, the enchantment, the sweetness which doing It contains. But to penetrate there within, to embrace Its immensity, to multiply oneself in Me and penetrate everywhere (even while being on earth), into Heaven and into hearts, to give up the human ways and to work with the divine ways, this is not yet known; such that it will appear strange to not a few. And he who does not have his mind open to the light of the truth will not understand anything about it; but, little by little, I shall make my way...

The theme which your Jesus asks of you is the most noble theme that can exist: that is of the Eternal Will ...When I speak to you of my Divine Will, which is my whole Self, there goes out from Me a Life, which is the greatest Gift which exists. I am eager to see if men are capable of receiving It. ...This knowledge will be a powerful magnet which will draw creatures. It will bring them to receive the inheritance of my Will; and it will at last bring to light the *second generation of the sons of light*, the sons of the Divine Will. Be attentive, my Daughter, because you will be the spokesman, the bell, which will call together this generation of my predilection, so ardently desired by Me.

The world finds itself in the precise situation that existed when I was about to come upon the earth. All were in expectation of a great Event, of a new era; as in fact did come to pass. And so it is now. With the great Event which must come to pass - the New Era in which the Will of God is done on earth as in Heaven - all are in expectation of this New Era, weary of the present, but without knowing what this new thing will be - this change - as they did not know it when I came upon the earth.

My Will comes from Heaven to dwell in souls. Blessed is the soul who receives It and lets It reign! ...All this will seem surprising and incredible to some, and then they should put my Creative Power into doubt. Yet every doubt ceases when it is I who want It. Am I perhaps not free to do what I want and to give to whom I want?

In my All-seeingness I see that these writings will be for my Church as a new Sun that will rise in her midst; and, attracted by Its radiant light, they will be diligent in transforming themselves into this light and go out spiritualized and divinized; wherefore, renewing the Church, they shall transform the face of the earth. ...Thus, in view of the good that I see, I urge you to omit nothing in writing.

In order to give some additional emphasis to the importance of understanding that this Gift of the Divine Will surpasses the state of union with God that various Saints had the blessed good fortune to enjoy prior to Luisa, we will quote from a writing which Jesus communicated to Luisa in Volume 12, dated April 8, 1918:

Returning to the point of **living in the Divine Will**, it was said to me (i.e. Luisa) that it was like living in the state of union with God; and my always amiable Jesus upon coming, said to me, "My Daughter, there is a great difference between living united with Me and living in my Will." And, while He said that, He pulled me by the arms and said to me, "Come into my Will even one single instant, and you will see the difference."

I found myself in Jesus. My little atom swam in the Eternal Will; and since this Will is a single Act that contains all acts together: past, present and future - being in the Eternal Will I took part in that single Act that contains all acts as far as it is possible to a creature. I took part in the acts which do not yet exist and which must exist unto the end of the centuries, and as long as God will be God; and also for this did I love Him, thank Him, bless Him, and so on. There was no act that fled me. And now I took the Love of the Father, of the Son and of the Holy Spirit and made it mine, as their Will was mine; and I gave it to Them as mine. How content I was to be able to give Them their Love as mine, and how They found complete contentment and vent in receiving from me their Love as mine. But who can say all? I lack the words.

Now, Blessed Jesus said to me, "Have you seen what living in my Will is? It is to disappear; it is to penetrate into the Omnipotence of the Eternal One, into the Uncreated Mind; it is to take part in all and in each Divine Act in as much as it is possible to a creature and to enjoy also being on earth with all the Divine qualities. It is to hate evil in the Divine way; it is that expanding oneself to all without exhausting oneself because the Will that animates the creature is Divine. It is the Sanctity not yet known which I will make known, which will be the last ornament, the most beautiful and most brilliant of all the other sanctities; and it will be the crown and completion of all the other sanctities. Now, to live united to Me is not to disappear; two beings are seen together, and he who does not disappear cannot enter into the ambient of Eternity in order to take part in all the Divine Acts. Ponder well and you will see the great difference."

[Editor's note: This profound writing should not overwhelm the reader. Our Jesus is doing everything to give us the Gift of his Will. If we want It, that's sufficient. - He leads us "little by little!"]
