LETTERS OF GOLD

From the House of the Divine Will

Issue No.3 November, 1993

ANNOUNCING THE THIRD FIAT OF GOD

The Recall of the Creature to the Order , the Place and the Purpose for which it was created by God

* * *

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

Explanation of the title of this News Letter: In the beginning of the book: *"The Virgin Mary in the Kingdom of the Divine Will,"* there is a most beautiful appeal from our Mother and Queen to us, her children, to enter into her Kingdom, that is, into the Kingdom of the Divine Will. She goes on to explain the purpose of her book; and She says that those who receive it with love will be the first fortunate children who will belong to the Kingdom of the Divine Fiat; and She will write their names in her maternal heart with **letters of gold**. Another reason for choosing this title is that we hope to publish for you more than one letter, thus there will be more **letters** to come. A third reason is that, under the maternal gaze of our Mother in Heaven, we have the sincere hope that all the **letters** *which form the words* of these newsletters will convey messages of **spiritual gold** for the perfect glory of Our Father who is in Heaven and to the supreme benefit of souls.

** *** **

The purpose of these Letters of Gold is to help make known the New Era of Divine Sanctity, which has already begun in a mysterious way upon this earth. This new era is the fulfillment of Jesus' Prayer to our Heavenly Father that his Will be done on earth **as** in Heaven. This is the greatest of secrets: **how** God's Will is done in Heaven - so on earth. This new era will bring the greatest glory to the Church ever known. It will be the Reign of the Divine Will and the Reign of the Holy Spirit who will renew the face of the Earth.

• *We dedicate this Issue No. 3 to God the Holy Spirit - the Sanctifier.* •

House of the Divine Will **4451 Iroquois Avenue** **Jacksonville, FL 32210**

(The House of the Divine Will is a private home. The editor of this newsletter is Mr. Thomas Fahy)

With this 3rd issue of **Letters of Gold** we have retained the same basic title page as for issues #1 and #2. That page explains the *meaning* of the title of these newsletters and their *purpose*. With Issue No. 4 some changes to the title page are anticipated.

Our introductory issue began with the **Paternal Appeal from the Divine King** proclaiming the Kingdom of his Will. Issue No. 2 featured the **Maternal Appeal of the Queen of Heaven** to her children to enter her Kingdom, the Kingdom of the Divine Will.

In this issue we will speak about **Luisa Piccarreta's personal, 1924 appeal** (as the **"Little Daughter of the Divine Will"** and **"Herald of the Reign of the Divine Will"**) to everyone, Priests and laity, to now enter into this Eden of the Divine Will where everything began for us - where the Supreme Being created man - making him king of the entire universe. Also in this issue we will relate some news from Corato, Italy, and report on a visit to a place in Mexico where it seems Heaven has established its **first annex for families** on earth, as a *prototype for living in the Divine Will* ***as in Heaven*** as we begin the New Era of the Third Fiat.

ABOUT LUISA'S APPEAL TO EVERYONE TO ENTER INTO THE REIGN OF THE DIVINE WILL

Greatly embarrassed at the thought that she must put in writing what Jesus made known to her about his Most Holy Will, and that these things would be seen by others even during her life time, Luisa gave in to holy obedience which demanded this of her at the price of great sacrifice. She begged Jesus to make her completely disappear and let his Will do all the writing so that Its letters of gold would describe the concepts and effects, strength and power of the Most High Will and what happens to the soul who lives in It: how it is elevated and divinized by living in Its center; how it leaves its mortal remains and returns to its beginning. Having triumphed over its weaknesses and shortcomings, the soul reacquires its original state: beautiful, pure and completely ordered towards its Creator, just as it was when it came forth from his creative hands.

Luisa asked Jesus to let the Divine Will tell how sad It was in being rejected by creatures (Adam and Eve), being forced to return to Its heavenly regions; and how, even though rejected, It continues to cast Its rays upon the human family like the sun on high because It wants to come down and reign among them. She begs It to send the rays of Its longings, Its sobbings and Its tears, of Its intense and eternal sorrow in seeing Itself separated from the will of Its human creatures; and how It is waiting for them to call It back down and receive It as their triumphant King to reign once again on earth as In Heaven.

To all who will read the writings Luisa says: "Please, I beg you to receive with love what Jesus wants to give you: **his Will**. However, in giving you his, he wants yours in return; othe wise his cannot reign. If you only knew how much love Jesus has for you, in wanting you to have the greatest Gift that can exist whether in Heaven or earth: his Will!

"Jesus cries so many bitter tears for you because He sees you dragging yourself along the ground; He sees how miserable and sickly you are; and He sees that it is all because you have been living by your own will. ...

"Jesus truly suffers and cries over your condition. He begs you, as He sobs, to let his Will reign in you. He wants you healthy, not sick; wealthy (in Grace), not poor; strong, not weak; immutable, not always changing; and kings not slaves. He doesn't want impressive penances from you, long prayers, or anything else; He just wants his Will to reign in you and your will to be without its own life.

"So please, listen to Him! I am ready to give my life for each one of you, to suffer whatever is necessary. But open up your souls so that the Will of my Jesus can reign and triumph in the human family."

Now Luisa invites everyone:

"Come with me into Eden, where everything began for us. This is where the Supreme Being created man and, in making him king, gave him a kingdom to rule. This kingdom was the entire universe. However, his scepter, crown and authority came from the center of his soul, where the Divine Fiat reigned as ruling King. This is where man's true royalty was: in the Divine Fiat. He was clothed magnificently in garments more brilliant than the sun. His acts were majestic and his beauty enchanting. God loved him so much. He played with him and called him 'my little king and son.' There was only happiness, order and harmony."

Luisa's beautiful appeal for all to enter into the most happy Kingdom of the Divine Will is rather lengthy, too long to include it all in this newsletter; but she emphasizes that it is not only she who is calling us but our loving Jesus, also. It was He who was the first to pray to the Heavenly Father that **his Kingdom come and that his Will be done on earth as in Heaven.**

NEWS FROM CORATO

(Corato, Italy, is where Luisa lived her entire life and where Association Luisa Piccarreta is located.)

1. Brother John Brown, the tall fellow from Texas, a convert, one well loved in Corato:

At the precise time that this newsletter is being drafted, today, November 4, 1993, Feast of St. Charles Borromeo, patron of seminaries, His Excellancy, Archbishop Carmelo Cassati will be conferring the ministries of Lector and Acolyte upon Brother John who, having completed the necessary requirements of the Church, has been given his schedule for **Ordination to the Sacred Priesthood!** The date has been set for **The Feast of Christ the King, 1994.** (November 20, 1994)

Everyone is invited. So start saving up and make plans to be there!

From different things we hear, it seems that this will be a very special occasion - not only because of Brother John's ordination but also due to many other favorable developments which augur well for the Reign of the Divine Will. So, we urge you to give weighty consideration to joining those who will be going to Corato for Brother John's ordination on November 20, 1994.

2. Fr. Pablo Martin Sanguiao, humble parish priest, a leading authority on Luisa Piccarreta, her glorious writings, and the Gift of the Divine Will:

Although Fr. Pablo resides in the diocese of Civitavecchia-Tarquinia, some distance from Corato, he is a regular visitor to Corato, to Association Luisa Piccarreta and confers with Archbishop Cassati from time to time. He has written a top quality and thorough biography of Luisa Piccarreta, recently published by Edizioni Segno of Udine, Italy.

This excellent work is presently being translated into English by another priest. The preface of Fr. Pablo's biography of Luisa was written by His Excellency, Archbishop Giuseppe Carata (now retired). This preface brought tears of joy to some who read it.

3. **Association Luisa Piccarreta,** canonically erected, located at Via N. Suaro 27 in Corato, same place where Luisa lived for most of her life:

More and more visitors coming. More need to expand facilities. Continued needs for fiscal support to augment the typically humble and meager donations received. Archbishop Cassati will celebrate Mass there on the Feast of Christ the King this year to innaugurate a holy year of preparation for the ordination of Brother John Brown next year.

4. **Fr. Michael Adams,** chaplain for the Daughters of Divine Zeal in Corato, and regular helper at Association Luisa Piccarreta:

Fr. Michael was recently officially incardinated into the Diocese of Trani which includes Corato. Last May at the request of the Pastor of one of the largest churches in Corato, Fr. Michael gave talks each day on the Lessons from the book, "The Virgin Mary in the Kingdom of the Divine Will," which Our Lady gave Luisa in the late 1920's.

HEAVEN'S FIRST ANNEX FOR FAMILY LIFE ON EARTH ??
(near Atlacomulco, Mexico)

We extend to everyone a gentle and kindly challenge: Search the world over. We do not believe you will find another place equal to what exists on a little piece of land on the side of a moutain about 100 miles northwest of Mexico City and about 10 miles north of the town of Atlacomulco. Here you will find something celestial, which may be the prototype or Heaven's model for family life on earth for the New Era of the Reign of the Divine Will.

In mid-October, 1993, Fr. Michael Adams had to return to Florida from Corato because of important visa paperwork. After visiting the Italian consulate, he was required to wait for papers to be sent by mail. During this waiting period Fr. Michael, Mrs. Synnott, and I made a brief but wonderful visit to Mexico. We arrived on a Tuesday morning, and were met at the airport by **Mr. Jose Luis Acuna,** three of his 7 children and some of Mr. Acuna's friends. All was joy and festivity as we gathered at the coffee tables in the airport restaurant. Since Fr. Michael speaks Spanish he had no difficulty in talking with Jose and his children and friends. The topics, of course, centered in the Divine Will and various interesting stories concerning the establishment of Its Kingdom on earth. From time to time Fr. Michael would stop and translate what was said for me and Mrs. Synnott.

#3

Next, we visited the famous Shrine of Our Lady of Guadalupe where we viewed the miraculous image of the Mother of God which God Himself painted on the tilma of Juan Diego in the year 1531 resulting in the conversion of 8 to 9 million Indians to the one, true Faith established by Jesus, the true Son of the Living God.

After waiting for the arrival of some more friends of Mr. Acuna, we participated in the Holy Sacrifice of the Mass celebrated in the Shrine by Fr. Michael. Then, after some shopping in the religious stores we crossed town to the lovely home of another friend of Mr. Acuna where we gathered behind the house on the garden lawn for a beautiful afternoon among 30 or so brothers and sisters in the Divine Will, who thoroughly enjoyed having Fr. Michael visit and speak to them about the great Gift of the Divine Will. Fr. Michael was so impressed that such a large group had such a good understanding of the Gift of the Divine Will and were able to ask so many appropriate questions on this subject. This is certainly a tribute to Mr. Acuna who has been so effective in helping others to understand and live this Gift. But an even greater tribute to Mr. Acuna is what we were to observe a little later, on the side of a mountain a little north of Atlacomulco.

It was dark when we arrived at at Mr. Acuna's home. All the family was awaiting us at the rear of their house with smiles of joy and kindness. Actually their youngest son wasn't present, for he is enrolled in a minor seminary in their diocese. He is age 16. The other 6 children range in age up to about 25. There is only one daughter, Alessandra, who is the oldest. The rest are boys; the oldest is Pablo, age 24.

Behind the family house is a private chapel which they are permitted to use with the gracious permission of Bishop Ricardo Guizar Diaz, who highly esteems this blessed family. Down below is a nice guest house for visitors; and up above are two more homes where relatives of the Acuna family live the beautiful and joyful life of the Divine Will, in common with the others.

The children attended school in the nearby town until legal age. Some of the boys are mechanics and repair cars right there on the property, sometimes buying, fixing, and reselling them. Others have reponsibilties for the cattle at their nearby ranch. And the family grows an unusual looking plant, which produces large beans called broad beans. They grow all over the property there on the side of the mountain. Mr. Acuna has an accounting business in Mexico City and works there 3 days per week, staying at night at his Mother's home near the Shrine of Our Lady of Guadalupe.

Prior to our visit Fr. Michael, Mrs. Synnott and I had heard very beautiful things about this family and what we had heard certainly proved true. Although we were only with them at their home site for 48 hours we learned and observed the following:

Here is a family with a Father and Mother and seven children ranging from ages 16 to 25. They all understand the Gift of the Divine Will and Its unsurpassable significance and *how to live* this Gift. All was joy, kindness, quiet, reverence, peace, harmony, divine order. Never a discordant note. Never a sharp word or sign of reluctance or distaste in obeying. Everyone knew their proper role and place and what was expected of him or her, and were completely content. The children truly love their parents and want to be near their Father at the dinner table. Without any constraints all the children are happy to remain at home to learn more and more of the Gift of the Divine Will and to live this celestial life.

There are no telephones or television sets. There is a record and tape player which is turned on from time to time with soothing and peaceful music.

In the morning the family arises at 6:00 AM, departing at 6:30 for Mass in the nearby town at 7:00. This is how they begin their day; and in the evening the family and the relatives from the other houses gather at their private chapel for the Rosary. At the set time everyone seems to "appear" there in perfect quiet - no noise or talking. Between the decades of the Rosary one of them reads aloud some passages from the writings on the Divine Will, which they all have come to know very well, even having memorized Volume 7. This evening Rosary in the Chapel takes about an hour or a little more.

Because of having guests, the boys apparently were excused from most of their regular duties. Entering the large bedroom around mid-day where most of the young men sleep at night, I saw some of them around a large table working on certain hobbies and other young men at different spots engaged in various activities in which they were interested; but all was quiet, peace, harmony. No noise or boisterous activity; conversation was very quiet and peaceful.

Exteriorly, with shining faces and eyes sparkling with celestial joy, the family and relatives communicate a certain sign that Heaven has established an Annex here on earth. And when one considers that this family is living the interior Life that Our Lord lived, with their souls united to the Divine Will, the conviction is even more profound that, indeed, *this may be the first place on earth where Family Life is being truly lived in the Divine Will* as an example for the families to follow as we enter more fully into the New Era of the Reign of the Divine Will.

Questions and Answers

Q. **What is the "First Fiat of God"?**

A. The "First Fiat of God" is the Creation, decreed by the Holy Trinity, of all that exists outside of God Himself. In our literature we will be concerned principally with the creation of mankind and the universe, which was created for love of man.

Q. **What is the "Second Fiat of God"?**

A. The "Second Fiat of God" is the Redemption of Mankind decreed by the Holy Trinity to free men from the bond of sin and darkness resulting from the Fall of Adam and Eve.

Q. **What is the "Third Fiat of God"?**

A. The "Third Fiat of God" is the fulfillment of God's eternal decree to sanctify man with the Divine Sanctity Itself by gifting souls, as far as it is possible to a creature, with the fullness of the very same Life of the Holy Trinity which is the Divine Will, eternal fountain of all grace and blessings. This Gift enables man to do the Will of God as in Heaven. This is what Jesus taught us to pray for in the Lord's Prayer.
