From the House of the Divine Will

Issue No. 4 January, 1994

ANNOUNCING THE THIRD FIAT OF GOD

The Recall of the Creature to the Order , the Place and the Purpose for which it was created by God

* * *

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

For an explanation of the title and the purpose of these newsletters, please refer to one of the first three issues which can be ordered from the House of the Divine Will.

• *We dedicate this Issue No. 4 to the Special Holy Year of Prayer begun by Archbishop Cassati* •

The Special Holy Year of Prayer began on November 16th 1993 with Holy Mass celebrated by Archbishop Cassatti at the little Chapel of Association Luisa Piccarreta located below Luisa's apartment where she lived for 50 years. Many souls from Corato and from distant places came to participate in the joyful atmosphere of the beginning of this "Year of Prayer" to plead God to quickly establish the Kingdom of the Divine Will on earth as in Heaven. A second purpose for this "Year of Prayer" is one of preparation for the Priestly Ordination of Brother John Brown scheduled for the Feast of Christ the King, November 20, 1994, to which all are invited.

In addition to the regulars at the Association, like Sr. Assunta, Fr. Michael, Br. John, Aldo Iurillo, there came among others Fr. Pablo, Fr. Carlos Massieu, and a group from Milan who have been active concerning the writings of Luisa for many, many years.

A letter from Br. John describes this occasion as a huge blessing from the Lord. He said that Archbishop Cassati was at his very best and encouraged us in every respect. Both Archbishop Cassati and Archbishop Carata were very excited and pleased with the initiatives being taken by **Association Luisa Piccarreta.**

Br. John says that things are going 'really, really, really good' and that we need to enter into a permanent state of thanksgiving to God for what He is doing in and for all of us.

After years of "saving their pennies" Association Luisa Piccarreta has finally paid off the note and **now has possession of Luisa's home of 50 years!** And Archbishop Cassati made some wonderful announcements which we hope to be able to write about in future issues of this newsletter.

Br. John (speaking of certain groups who were working cooperatively on behalf of the Divine Will at the time of the opening of the "Year of Prayer") said that 'everyone' was in good communication with each other and all are working together - in Italy, in Mexico, in Ecuador, and with the group in Miami which is growing in number because they want to remain faithful to the Church.

During the Mass opening the "Year of Prayer," an oil lamp was placed at the feet of the Holy Mother, asking her intercession and help in this year. Br. John recommends to us to place ourselves in her hands because She knows how to do everything better than we.

Br. John's letter, near the end, included these words: "It is necessary to give your life to this work, Tom; and I don't think it is necessary that I tell you that. There is absolutely nothing more important than this, in all the history of mankind. Our responsibility before Him is great,and He has allowed us to work closely with Him only because He loves us so much. His Love and our life must become One. *LIVE THE GIFT!!*"

DIVINE WILL RETREAT in MIAMI - February 4, 5, 6 - 1994 !!

Yes, there is a **special retreat on the Gift of the Divine Will** being held in Miami, Florida, the weekend of February 4th through 6th. [Call here for instructions - (904) 389-2426.]

The principal speakers will be **Fr. Pablo Martin Sanguiao, Brother John Brown**, and **Mr. Jose Acuña.**

Fr. Pablo, known for his meek and humble character, is very possibly the most knowledgeable person living on earth today on the subject of Luisa Piccarreta and her glorious writings the Gift of the Divine Will. He is totally obedient to the Church and makes frequent visits to Corato and confers with Archbishop Cassati. He is the author of the most extensive biography of Luisa's life and was priviledged to have Archbishop Carata write the introduction to this book [not yet in English]. Fr. Pablo is from Spain, but is now an Italian citizen and is Pastor of Saint Augustine Church in Civitavecchia, Italy.

Brother John Brown is a convert from Texas who learned about Luisa Piccarreta and her writings back in 1987 after several mystical experiences which were leading him to this golden knowledge of the Divine Will. He has been living in the vicinity of Corato about 3½ years and has been on the staff of the Diocesan minor seminary while finishing his studies for the Priesthood. He has totally dedicated his life to Divine Will and enthusiastically does whatever he can to help establish the Reign of the Divine Will on earth. He speaks and writes Italian and does pretty well with Spanish. Working with Fr. Pablo he will be able to use these talents to help others during the Retreat as well as give his own inspiring talks on the Divine Will in English.

Mr. Jose Acuña - We have already written about this great lay apostle of the Divine Will in our last newsletter and about his family in Mexico who so perfectly live the Life of the Divine

Will . His presence at the retreat will be a very great bonus; and this will be his second visit to Miami in recent months; as he gave a series of conferences on the Divine Will there one weekend last November.

DIVINE WILL PILGRIMAGE TO THE HOLY LANDS

There are plans for a **pilgrimage to the Holy Lands leaving Italy on Luisa's birthday, April 23, 1994.** This will be for members and friends of Association Luisa Piccarreta, and it is anticipated that the pilgrimage leaders will be Priests committed to the knowledge and Life of the Divine Will. Br. John should be a Deacon by then as he is scheduled to be ordained to the diaconate on Mercy Sunday as part of his schedule of progression to the Priesthood next November.

THE TRANSLATION OF MR. ACUÑA'S BOOK

When Mr. Acuña visited Miami in November he brought along several copies of a marvelous book which he had the grace to put together over the years and have it published last year with a beautiful letter of introduction by his Bishop, Ricardo Guizar Diaz. This book, entitled **"LUISA PICCARRETA - Selection of Chapters"** is currently only in Spanish. It consists of about 400 pages most of which are carefully and prayerfully selected passages, from Luisa's Volumes on the Gift of the Divine Will, with the primary purpose of helping beginners to quickly come to understand **what Gift of the Divine Will is** and how much It means to God Himself for us to take possession of It and begin to live this glorious and holy life even while on earth. In Mexico, the fruits of Mr. Acuña's work is self-evident, a great testimony to his dedication.

We are now in the process of cooperating with some beautiful and dedicated souls to help get this very important work translated from Spanish into English. **We could use more help, however;** and we would be very grateful to anyone who would help with this project by offering to translate some pages even if only a few. Please consider this and write to us to let us know.

CHRISTMAS VISIT BY FR. CARLOS MASSIEU

At the invitation of Mr. and Mrs. Michael Machado, Fr. Carlos Massieu of Mexico visited their home in Miami for a period of 11 days with marvelous fruits for the Reign of the Divine Will. Fr. Massieu first learned of Luisa and her writings in 1976 as a layman. He was ordained a priest at the Basilica of Our Lady of Guadalupe in Mexico City in 1989 and belongs to a community of Priests called the Servants of the Kingdom of Christ founded about thirty years ago by the Mexican Priest, Fr. Enrique Amezcua. They now have about 150 Priests and about 100 seminarians. They do not take vows for special reasons which are explained in their constitution.

Fr. Massieu is now studying Mystical and Ascetical Theology in Rome at the Gregorian University at the request of his superiors. This situation has afforded him the opportunity to visit frequently with Fr. Pablo in Civitavecchia as well as to make occasional visits to Corato.

Fr. Carlos Massieu certainly impressed everyone as an ideal Priest - so kind, so meek and humble. His knowledge of the Divine Will as well as moral and pastoral matters, combined with his abilities to communicate this knowedge so suavely and clearly made a lasting impression on all who had the great privilege to meet him. He is certainly a real asset to the ever increasing numbers of simple souls whom Our Lord and Our Lady are using to establish the Kingdom of the Divine Will on earth as in Heaven.

Questions and Answers

Q. What is Eternity? What is the relationship between God and Eternity?

A. Eternity is an immense circle. Where it begins and ends cannot be known. In this circle is found God, without beginning or end, where He possesses infinite happiness, beatitude, joy, riches, beauty, etc. In every Divine motion, which never ceases, He puts forth from this circle of Eternity new happiness, new beauty, new beatitudes, etc. But this NEW is an never-interrupted act. The Divine contentments, distinct among themselves, are always new; one is not the same as another. The beatitudes of the Holy Trinity are such and so many that while They are enjoying one, others are always surprising Them; and they never end; they are eternal, immense, on par with the Divine Persons. What is eternal has the virtue of always making new things arise. Old and repeated things do not exist in what is eternal.

Q. Will the souls in Heaven participate in these always new joys and contentments?

A. Yes! Those who have practiced doing good on earth will take part in Heaven in that NEW which is never exhausted. The good that they do on earth will be the seed that will bring them knowledge of the Holy Trinity's beatitudes, joys, beauty, love, goodness, etc.; and, according to that good that the soul has practiced on earth, which was harmonious with the Trinity's varied beatitudes, so will that soul approach God and in large draughts fill herself with that beatitude of which she has contained the seed, even to overflowing outside of herself. She will take part in all that the circle of Eternity contains; and for however many seeds she will have acquired on earth, so will she be filled.

Now, what will it be for the soul who has lived in the Divine Will, where all her acts become as an Eternal and Divine seed? The circle of Eternity will flow so profusely in her that all the Celestial Jerusalem will be stupified because of her and will celebrate new feasts and receive new glory.
