From the House of the Divine Will

Issue No. 6 May, 1994

ANNOUNCING THE THIRD FIAT OF GOD

The Recall of the Creature to the Order , the Place and the Purpose for which it was created by God

* * *

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

• *We dedicate this Issue No. 6 in honor of Archbishop Carmelo Cassati of Trani, Italy* •

VATICAN (INTERIM APPROVAL) APPROVES THE WRITINGS OF LUISA PICCARRETA

At precisely 6:53 AM on Holy Saturday, April 2, 1994, we at the House of the Divine Will received a most marvelous phone call from Association Luisa Piccarreta in Corato, Italy !! Fr. Adams and Br. John relayed historic and grandiose News: Archbishop Cassati, who presides over Corato, had just informed them of a Letter he had just received that morning from the Sacred Congregation for the Causes of the Saints in the Vatican. The Letter informed His Excellency that, after careful evaluation by all the Sacred Congregations of the Vatican, no impediment exists to opening the Cause for Luisa Piccarreta's Beatification!

[We would have notified you earlier, but deferred to the wishes of those Religious in Italy close to the situation]

House of the Divine Will **4451 Iroquois Avenue** **Jacksonville, FL 32210**

(The House of the Divine Will is a private home. The editor of this newsletter is Mr. Thomas Fahy.)

Archbishop Cassati has been a tireless advocate on behalf of obtaining Vatican Approval for the opening of the Cause for Luisa's Beatification. He succeeded Archbishop Giuseppe Carata as spiritual head of the Diocese of Trani, Italy, approximately 4 years ago. Both of these venerable prelates have devoted themselves to paving the way for the Official Church to recognize the immense gift to humanity, heralded by the unprecedented life and writings of Luisa Piccarreta, which will profoundly affect the future course of History - opening a wholly New Era, in which God's Will is to be done on earth **as** in Heaven!

The implications of this event are enormous. One of the Sacred Congregations in the Vatican, namely, the Sacred Congregation for the Doctrine of the Faith, was the last to give their approval. But, after some years of careful evaluation of the **most sublime** and all heavenly writings, which Our Lord Himself communicated to Luisa Piccarreta during her prolonged confinement to bed for 64 years without material food or water, this Sacred Congregation, headed by Joseph Cardinal Ratzinger, informed the Sacred Congregation for the Causes of the Saints that there was nothing in the Writings of Luisa Piccarreta contrary to Church teaching which would impede the process of her Beatification.

It has been 56 years since Luisa wrote the final words of the last Volume (i.e. vol. #36) **of** the **Book of Heaven** which makes known the Mystery of the Divine Will prophesied by St. Paul (Eph.1- 9,10). With the revelation of this Mystery we are now most blessed to know HOW God's will is done in Heaven and HOW to do It on earth **as** in Heaven! This is the great secret of the **Third Fiat of God.** The **First Fiat of God** is **Creation**. The **Second Fiat of God** is **Redemption**. The **Third Fiat of God** is **Sanctification** (of those *who want it)* with the fullness of the Life of the Holy Trinity - the 'Fiat Voluntas Tua...' - which Jesus taught us to pray for in Lord's Prayer: 'Thy Will be done on earth **as** in Heaven.' In Heaven, the Blessed possess the Divine Will as their very own, and all their operations are animated by the Divine Will Itself. This is the way it was in the beginning, with our parents, Adam and Eve, in Paradise.

Luisa's mission was to herald the Reign of the Divine Will on earth **as** in Heaven. She would be the first person since the Assumption of the Blessed Virgin Mary to do the Will of God on earth **as** in Heaven. She began this glorious life at the age of 24 when the Most Holy Trinity presented her with the Gift of the Divine Will, which Adam and Eve had lost, and which Our Savior had regained for us and taught us to pray for.

Her writings, as shown to her by Our Lord, will bring about the renewal of the face of the earth. Once, she was shown a large table with all the writings on the Divine Will on its surface. There were many venerable men of the Church around this table who were filled with light; and, divinized, they went forth with this glorious light to renew the face of the earth. One might ponder the words of the Apostle Paul, "Eye hath not seen, nor ear heard; neither has it entered the heart of man what God has prepared for those who love Him." This words of St. Paul seem aptly expressive of the things which the Good God is revealing to us in the **Book Of Heaven.**

We, at the House of the Divine Will, after so many years (more than 20) are overjoyed, one might say, ecstatic, about this so happy and fabulous Good News and will do all we can, *in union with the Church*, to help others to enjoy the benefits of Knowing and Living the Divine Will.

As best we can, according to our rather meager capabilities, we publish and distribute various writings of Luisa to those who request them. In exchange we receive donations to carry on this work, for which we have personally received Vatican permission as well as the most helpful counsel of those Religious in Italy who have significant roles in this great drama.

We are convinced that the Reign of the Divine Will is the fulfillment of the purpose of Creation, the crowning glory of Mankind, the Gospel, and the Church, and that all other holy enterprises have inherent within them the goal of arriving at this Supreme Point. From time to time we are asked to give conferences in various places; and we have a unique slide-show program about the life of Luisa, showing where she lived, her bedroom, the childhood farm, etc. with oral descriptions of special events in her life, and explanations of the celestial doctrine of the Divine Will, as well as commentary on what is being done with the "Smile of the Church" by those who are humbly and obediently working in Italy under Archbishop Cassati to make known Luisa and her Glorious writings.

In Corato, in the very place where Luisa lived most of her life, **Sr. Assunta Marigliano** conducts the affairs of **"The Pious Association, Luisa Piccarreta - little children of the Divine Will"** The Association, solidly built upon the foundation of suffering , poverty and obedience was established canonically on March 4,1987 by Sr. Assunta and Archbishop Giuseppe Carata. It has become the focal point of Church approved activity concerning the diffusion of the knowledge of Luisa and the writings on the Gift of the Divine Will. They publish a monthly newsletter which informs the Italian and Vatican hierarchy, as well as thousands of others. Sr. Assunta's untiring efforts among enormous difficulties has undoubtedly had a most beneficial effect upon the present situation in which the Church has given her approvals concerning the Beatification of Luisa and all the happy consequences that this implies.

[**Note:** Please send notice of miracles, cures, favors, etc. granted through Luisa's intercession, as well as Mass requests, donations, and requests for favors (which will be placed in Luisa's bedroom) to : Associazone Luisa Piccarreta - Via N. Sauro, 25 - 70033 CORATO (Ba) Italy.]

Also, in Corato and its vicinity, are Fr. Michael Adams and recently ordained Deacon John Olin Brown. **(John was ordained to the Diaconate on April 24th in a very special and moving ceremony, according to witnesses, with several priests present, including Fr.Pablo, Fr.Michael, and Fr. Carlos Massieu.)** It goes without question that Fr. Mike and Deacon John have been doing their very important part in many, many ways to help bring about these wonderful events. It seems certain that the future has a very special place for these men. Don't forget: Deacon John is scheduled for ordination to the **Priesthood** on November 20, 1994, Feast of Christ the King. This will be a momentous occasion, and we recommend all who can to attend this event and visit Luisa's home and her holy bedroom where many great graces are received. Write to **Divine Travel**, 7661 S.W. 135 Ave., Miami, Fl 33183 -- (305) 229-8460. An itinerary of visits to special places in Italy is also planned.

In Civitavecchia, Italy, there is Padre Pablo, considered by many to be the leading priestly authority on earth concerning Luisa and the writings on the Gift of the Divine Will for the Era of the Third Fiat of God. His humble and obedient efforts in so many ways have most certainly had a most beneficent effect upon the present events so favorable for the Reign of the Divine Will. Archbishop Cassati esteems him highly and has appointed Fr. Pablo to carry out certain, important tasks which will bring much glory to God and benefit to the world.

In many, many places there are those special souls who have each been fulfilling their unique roles in this Great Event. Some are almost entirely unknown, praying, suffering, living the Life of the Divine Will almost hiddenly. Others, more active exteriorly, publishing,

speaking, etc. - some of whom have very intimate relationships with Our Lord, also praying and suffering. They can be found here in the United States, in Mexico, in South and Central America, in Italy, Canada and other lands. Yes, there has been quite a change in the last twenty years! And, now, with the new developments, coming from the Vatican and especially from Archbishop Cassati's archdiocese, **what will the coming years bring?!**

We, at the House of the Divine Will, as well as those in Corato, and elsewhere, firmly hope with all our hearts that all those in many places who have been working on behalf of the Divine Will, and who have experienced certain, sorrowful situations between them, will rally around the Flag of Humility, Charity, Obedience and Forgiveness; and, united with our brothers and sisters who are in the Heaven of the Beatific Vision, give the greatest possible glory to Our Father in Heaven, demonstrating to all the world the Unity and Harmony of the Most Holy Trinity, so that the Will of God quickly reign over all the earth. We beg this favor from our Immaculate Mother.

In our January Issue of Letters of Gold we mentioned that on the Feast of Christ the King, last November, Archbishop Cassati inaugurated a **Holy Year of Prayer** to plead God to quickly establish the Kingdom of the Divine Will on earth. **Look what has happened !** With the recent Vatican approvals (coming in this special Holy Year of Prayer) it surely seems that God is listening to his Official Church prelate. Oh, the power of humble, obedient prayer!

One of the greatest joys I have had in recent years was a trip made in April to the Northeastern U.S. to give a series of conferences on Luisa and on the Divine Will. In one place we talked for about 10 hours on a single day. Everywhere I went I met holy souls thirsting for the knowledge of the Divine Will. Everyone was so pleasant to be with and so generous and helpful. One group of over 20 young persons, under the guidance of very committed priest, were notable in their enthusiastic commitment to the Reign of the Divine Will. And you wouldn't believe all the help they are giving in a variety of ways to this so noble cause. Being true children of Our Lady, in all humility, they have asked that their names not be mentioned. I want to thank all of you in all the places that I visited for your kindness and especially for your interest in the Divine Will.

Another most pleasing thing is to hear of so many people following the 31 lessons of the Queen of the Divine Will in the book "The Virgin Mary in the Kingdom of the Divine Will" during this special month of May. We delight in realizing that so many will be making a committed Consecration to the Divine Will following their month of preparation. In the Divine Will, we ask Our Mother and Queen to give all of them the Grace of perseverance through all obstacles so that they may enjoy this Life of Heaven here on earth.

Important Notice: **We must know who wants to receive these Letters of Gold.** We are in continual contact with Italy; and we will keep you informed of developments, especially after Archbishop Cassati appoints the Official Commission for Luisa's Beatification. With our next issue we will continue once again with more of the doctrine of the Gift of the Divine Will. **Please let us know if you want to remain on our mailing list.** A small donation to help with the expenses would be greatly appreciated; but, the important thing is to **notify us** of your desire to continue receiving these newsletters; otherwise, we probably will have to discontinue sending them to you.
