LETTERS OF GOLD

ANNOUNCING THE THIRD FIAT OF GOD

The Recall of the Creature to the Order, the Place and the Purpose for which it was created by God

* * *

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of our Will upon the earth is our Decree." - (words of Jesus to Luisa Piccarreta - Oct. 2, 1938)

Explanation of the title of this News Letter: In the beginning of the book: *"The Virgin Mary in the Kingdom of the Divine Will,"* there is a most beautiful appeal from our Mother and Queen to us, her children, to enter into her Kingdom, that is, into the Kingdom of the Divine Will. She goes on to explain the purpose of her book; and She says that those who receive it with love will be the first fortunate children who will belong to the Kingdom of the Divine Fiat; and She will write their names in her maternal heart with **letters of gold**. Another reason for choosing this title is that we hope to publish for you more **letters** to come. A third reason is that, under the maternal gaze of our Mother in Heaven, we have the sincere hope that all the **letters** *which form the words* of these newsletters will convey messages of **spiritual gold** for the perfect glory of Our Father who is in Heaven and to the supreme benefit of souls.

** *** **

The purpose of these Letters of Gold is to help make known the New Era of Divine Sanctity, which has already begun in a mysterious way upon this earth. This new era is the fulfillment of Jesus' Prayer to our Heavenly Father that his Will be done on earth **as** in Heaven. This is the greatest of secrets: **how** God's Will is done in Heaven - so on earth. This new era will bring the greatest glory to the Church ever known. It will be the Reign of the Divine Will and the Reign of the Holy Spirit who will renew the face of the Earth.

• *We dedicate this issue No. 8 to Our Lady of the Rosary and Bl. Annibale Di Francia.* •

October 7th - Feast of Our Lady of the Rosary

October 7th commemorates the Great Victory of the Battle of Lepanto (in the year 1571) in which the Turkish Navy was defeated by the much smaller Christian Navy through the power of the Rosary prayed by Christians at the urgent request of the Pope.

October 7th 1928: Luisa Piccarreta moves to the Convent of the Daughters of Divine Zeal. She predicts that she will be there for 10 years.

October 7th 1938: Luisa moves from the Convent of the Daughters of Divine Zeal exactly 10 years to the day from the time of her entrance there, just as she had predicted.

October 7th 1982: Blessed Maximilian Kolbe is Canonized a Saint.

October 7th 1990: Fr. Annibale Di Francia is pronounced **Blessed** Annibale Di Francia. He was a personal friend of Pope St. Pius X and one of the most influential confessors of Luisa Piccarreta. He was able to obtain the Nihil Obstat and Imprimatur for the first 19 Volumes of the **Book of Heaven** prior to his death in 1927. He was the confessor who placed Luisa under obedience to write down the **"Hours of the Passion of Our Lord Jesus Christ"** which she had been meditating for some years. Concerning the writings on the Divine Will, Blessed Annibale considered *each word* to be of more value than the entire universe!

From the collection of Luisa Piccarreta's letters we quote the following:

[Concerning the Rosary] - "We must pray very much, in these times so sorrowful, the prayer which will defend us from the shadow of the enemy and will cover us with the shadow of God; and the shadow of God will make us disappear from the gaze of the enemy.

"Do not forget this prayer which is the armament of the true Christian, that while it maintains communication with Heaven, it defends us from dangers and gives us the necessary strength to support our crosses." - [Luisa prayed the Rosary fervently and was often seen with her rosary in her hands.]

The DIFFERENCE between JESUS' SANCTITY and the SANCTITY of the SAINTS

Volume 11 - September 21, 1913

This morning my always amiable Jesus made Himself seen with an indescribable sweetness and affability, as if He wanted to tell me a thing so dear to Him and so big a surprise to me. Therefore, embracing me and pressing me to His Heart, He said to me, "My beloved daughter, all the things that the soul does in my Will and together with Me, that is prayers, actions, steps, and so forth, acquire my same qualities, the same Life and the same values.

"See, all that which I did upon earth: prayers, sufferings, works, *are all in act and will be in eternity to the good of who wants them.* My behavior differs from the behavior of the creature. Containing the creative Power in Me, I speak and I create, as one day I spoke and created the Sun. This Sun, which is always full of light and of heat, always gives light and heat as if it were in the act of receiving from Me continuous creation without ever diminishing. Such was my behavior on earth. Like the Sun, which is in continuous act of giving light, my prayers, my steps, my works, the Blood I shed contained the creative Power and, thus, are in continuous act of praying, of working, of walking, etc. And so, my prayers continue on; my steps are always in the act of running close to the soul, and so with all the rest. Otherwise, what great difference would there be between my behavior and that of my Saints?

"Now listen, my daughter, to a very beautiful thing, and not yet understood by creatures: All that the soul does together with Me and in my Will, as my things are, so are hers. Her connection with my Will and her action together with Me participate in my own creative Power."

I was ecstatic over it, and with a joy that I could not contain, I said, "Is all this possible, O Jesus?" And He, "Whoever does not understand this can say that he does not know Me." And He disappeared.

After Adam and Eve and Jesus and Mary, Luisa is the First to do the Will of God on earth as in Heaven

The following are some words of Jesus to Luisa from the 36-Volume **"Book of Heaven"**:

"It is so true that I have called you to be the first, that to no other soul, however dear to Me, have I manifested the manner of living in My Volition, Its effects, the marvels and the goods that the creature receives operating in my Will. Check however many lives of the Saints you want, or books of Doctrine; in none will you find the prodigies of my Volition operating in the creature and the creature operating in Mine. At the most you will find resignation, union of wills, BUT THE DIVINE VOLITION OPERATING IN IT, AND IT IN ME, IN NO ONE WILL YOU FIND IT. This means that the time had not yet arrived in which my Goodness should call the creature to live in this Sublime State."

"If I waited so many centuries before making known my Will operating in the creature and its operating in Mine, it was because I first of all had to dispose man to pass from lesser knowledge to greater... **When I make a truth known to man, it is a sign that I want to give it to him as a gift."**

"... Its first fulfillment, my daughter, I want from you..." This is why I so often speak to you about living in my Will, which until now I have not manifested to anyone. At the most they have known the shadow of my Will, the enchantment, the sweetness, which *doing* It contains. But to penetrate within, to embrace Its immensity, to multiply oneself in Me and penetrate everywhere (even while being on earth), into Heaven and into hearts, to give up the human ways, and work with the Divine ways, this is not yet known, such that it will appear strange to not a few. He who does not have his mind open to the light of the truth, will not understand anything about it; but, little by little, I shall make my way..."

In response to a question from Luisa, Jesus said: "My daughter, first I had to make known what my Humanity did and suffered from without, in order to dispose souls to know what my Humanity did within... . I so ardently desire this time: and you pray and desire with Me, and do not remove your link with Mine, **you being the first.**"

"Be attentive, my daughter, because you shall be the spokesperson, the bell, which will call together this Generation of my Predilection so ardently desired by Me."

"Come, come, my daughter: Quickly, hurry, cast yourself into my Will... . **Man must begin to penetrate into my Eternal Will; otherwise, it has been decreed that this Supreme Will shall not descend upon the earth."**
