Through the Immaculate Heart of Mary, and the Sacred Humanity of Jesus, we fuse into the center of the Most Holy Trinity, and in your most Holy Will we thank you dear Jesus for Your precious Gift of Divine Will and all the secrets contained in It.

We love and thank you dear Jesus for revealing all the hidden secrets to souls living in the Divine Will. As souls enter into the Divine Will all the secrets and prodigies are revealed. As we fuse in Your Holy Will we can take all the Goods contained in It.

Making this offering in the name of all, we plead and cry for the Kingdom of your Will to be established on earth. Then every creature on earth will recognize your love in everything! And in return will send to You love, praise, honor and glory for each of your Fiats: Creation, Redemption, and Sanctification! With this offering I implore mercy, salvation and sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in me.
