Volume 21, March 13, 1927,

Volume 22, July 4, 1927,

Jesus multiplies His Life in every act of the human will united to the Divine Will.

Rounds

Through the Immaculate Heart of Mary, and the Sacred Humanity of Jesus, I enter into the center of the Most Holy Trinity, and in your Divine Will, with all our brothers and sisters we thank You for the precious Gift of the multiplication in the Divine Will. We thank you for Your creative power enabling souls to multiply their acts for Your Glory, for the salvation of all souls and for the coming of the Kingdom. We praise and love You, and offer You acts of reparation multiplied in Your Will.

Making this offering in the name of all, we plead and cry for the Kingdom of your Will to be established on earth. Then every creature on earth will recognize your love in everything! And in return will send to You love, praise, honor and glory for each of your Fiats: Creation, Redemption, and Sanctification!

With this offering I implore mercy, salvation and sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in me!

Amen!
