Rounds

Through the Immaculate Heart of Mary, and the Sacred Humanity of Jesus, I enter into the center of the Most Holy Trinity, and in your Divine Will, with all our brothers and sisters we thank You Jesus for the sublime mission You gave to Luisa as the Little Daughter of the Divine Will. We love and thank you for the grace You give to all souls to fulfill their mission to live in the Divine Will.

Making this offering in the name of all, we plead and cry for the Kingdom of your Will to be established on earth. Then every creature on earth will recognize your love in everything! And in return will send to You love, praise, honor and glory for each of your Fiats: Creation, Redemption, and Sanctification!

With this offering I implore mercy, salvation and sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in me!

Amen Fiat!
