Rounds

Through the Immaculate Heart of Mary, and the Sacred Humanity of Jesus, I enter into the center and the single act of the Most Holy Trinity, and in your Divine Will, with all our brothers. In this single act what is done once is forever. We thank you dear Jesus in the single act where we find all acts, past, present and future. We fuse all our human acts into the Divine Will into the eternal act giving it infinite and divine value.

Making this offering in the name of all, we plead and cry for the Kingdom of your Will to be established on earth. Then every creature on earth will recognize your love in everything! And in return will send to You love, praise, honor and glory for each of your Fiats: Creation, Redemption, and Sanctification!

With this offering I implore mercy, salvation and sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in me!

Amen!
