+ **Rounds**

Through the Immaculate Heart of Mary, and the Sacred Humanity of Jesus, we fuse into the center of the Most Holy Trinity, and in your Divine Will we thank you dear Jesus for Your Love and Your many gifts You give to Your children. We enter into the Center of the Divine Will where every act is as a beneficial dew for all the souls of purgatory. We enter into every Word of the Hours of the Passion as it rains continuous dew to the earth and to all the souls in purgatory. We continue our Rounds in the acts of Luisa and all souls in the Divine Will when they immerse themselves and take its power, its Love and immensity of the pains of Jesus and pour them over purgatory for relief and comfort and shorten their years.

Making this offering in the name of all, we plead and cry for the Kingdom of your Will to be established on earth. Then every creature on earth will recognize your love in everything! And in return will send to You love, praise, honor and glory for each of your Fiats: Creation, Redemption, and Sanctification!

With this offering I implore mercy, salvation and sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in me!
